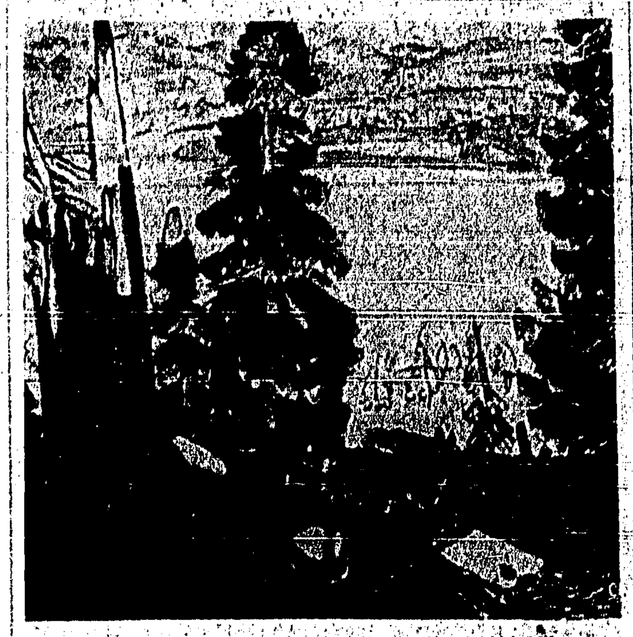
THIS "VISIT FROM ST. NICHOLAS" scene is fashioned around a police phone booth in the shopping center at Garden City, New York. It's the sixth consecutive year the Chamber of Commerce has erected the storybook house around the booth and suspended Santa and his reindeer in the air behind. Evergreen trees and branches add to the Christmas scene.



THIS PAINTING by the late Canadian artist David Milne, entitled "Painting Place," has been chosen by Governor-General Massey for his Christmas cards this year. The original painting hangs in Batterwood House, Mr. Massey's residence near Port Hope, Ont. In the foreground is the picture of the artist's paintbox, palette and jar for brushes. (CP Photo)

"Silent Night" Most Beloved Yuletide Carol

The most beloved carol of the many that are sung in all parts of the world is "Silent Night" that simple and tender German song.

Its origin was unknown for many years. Recent research, however, disclosed that it was written by Joseph Mohr, an assistant priest in Oberndorf in South Germany. The melody was composed by a schoolmaster, Franz Gruber.

The poet and the composer were part of the choir that sang the carol for the first time on Christmas Eve in the Oberndorf church in 1818.

The night it was sung the small church's organ was out of order and the choir sang to the accompaniment of a guitar.

Since then the carol has been sung to the tune of almost every musical instrument in the world and in the languages of nearly all men.
