NEW HAZELTON

Around the Hazelton district roads during the past week have been a virtual sheet of ice and very dangerous to traverse. It was impossible to drive on the hill at all until Road Foreman Jas. Turnbull and his men had been out to sand them.

Dan McKenzie has been re-elected president of the New Hazelton Citizens' Association. Tom Willian is vice-president and Delcourt Parent, secretary-treasurer.

In order to provide funds for Christmas Cheer for children in the Hazelton district, a successful jamboree was held by the Elks' Lodge on Thursday night last.

Mrs. R. S. Sargent returned to Hazelton last week after spending a few days in Prince Rupert visiting with her sister, Mrs. Frank St. Amour.

Miss Frances Willan R. N., who has been nursing at Port Simpson recently, left last week via Prince Rupert for New Westminster where she has accepted a nursing position. She spent a few days visiting her home in New Hazelton before proceeding south.

More interest is being displayed in badminton in New Hazelton this winter and the club is anticipating an active season.

According to reports current in the interior, there will be considerable activity during the coming year in ballasting of the track of the northern lines of the Canadian National Railways.

Mr. and Mrs. Charles R. Gilbert left Terrace yesterday for Prince Rupert where they will embark for a trip to California.

William W. Anderson of Hazelton was a recent visitor in Terrace.

After a stormy passage from Vancouver via the Queen Charlotte Islands, C.N.R. steamer Prince John, Capt. Neil McLean, arrived in port at 8:45 o'clock this morning and sailed this afternoon for Anfox and Stewart. She has considerable freight to discharge here. The s.s. Prince John is scheduled to sail tonight on her return south via the Islands but will not be able to get away until Saturday night at the earliest. The vessel, which brought in 40 passengers, had an exceptionally rough trip coming north.

COMEDY IS UPROARIOUS

"Life Begins in College" With Three Ritz Brothers, is Here This Week-end

The delirious Ritz Brothers are starred in "Life Begins in College," musical comedy hit featuring Joan Davis, Tony Martin and Gloria Stewart and a noteworthy cast which comes this week-end to the Capitol Theatre. "Life Begins in College" is said to contain all the essential elements for a gay, entertaining hit. The cast also includes Fred Stone, Nat Pendleton, Ed Thorgersen, Dick Baldwin, Joan Marsh, Dixie Dunbar, Jed Prouty, Maurice Cass, Marjorie Weaver and J. C. Nugent.

The play moves with zest and speed from one riotous situation to another. Joan Davis, pretty red-headed comedienne, is on a heart-hunt for an Indian. The unassuming Indian with only $10,000 a day to spend, is snubbed by all the fraternity brothers until the Ritz Brothers take him in and then the fun begins in a riotous frolic of mirth and merriment.

Surrounding the pilot are ensembles with hundreds of dancing girls.

Hit tunes include "Why Talk About Love?" "Big Chief Swing It," "The Rhumba Goes Collegiate," "Our Team is on the Warpath," "Fair Lombardy" and "Sweet Varsity Sue."

GUARD your resistance against "colds" and other winter infections. Aid regular elimination by eating Kellogg's ALL-BRAN.

This natural laxative food provides needed "bulk."

Eat two tablespoonfuls daily. As a cereal with milk or cream or in recipes. Sold by your grocer.

KEEP REGULAR

Operetta Was Repeated

The second presentation last night by the pupils of Booth Memorial School of the operetta "The Enchanted Island" went off splendidly and there was another large audience on hand to enjoy the excellent entertainment. The pupils acquitted themselves with credit comparable with that of the first night.

Union steamer Cardena, Capt. John Boden, arrived in port at 11:30 a.m. today from the south and will sail at 5 o'clock this afternoon on her return to Vancouver and waypoints. This is a special pre-Christmas sailing and the vessel is taking a number of school teachers from here for the south to spend the holidays.
