TOO WARM ON FARMS

Bulkley Valley Haymakers Lay Off In Mid-day—100 Above

SMITHERS, July 18:—The heat wave that has struck the whole Pacific Coast still maintains its peak in the Bulkley Valley with the temperature standing at from 90 to 100 degrees in the shade.

The farmers are all working on their hay but handicapped by the excessive heat which is hard on man and beast and work in the middle of the day has to be curtailed. Hay is cut in the morning ready to put up at night.

Both the Anglican and the United Churches held their Sunday School picnics at Lake Kathlyn on Wednesday afternoon and the water on both sides of the lake was alive with squirming and splashing kids who reveiled in the sunshine and warm water.

With the barometer still standing high it looks like some more days of warm weather before any break comes to cool it off.

Three coastal passenger liners were in port this morning and a fourth is due from the south tonight. C. P. R. steamer Princess Adelaide, Capt. R. C. McGeachy, arrived at 7 a.m. and sailed at 3 p.m. for Vancouver and waypoints. The Princess Alice, Capt. John Williams, arrived at 10 a.m. from Vancouver and sailed at noon in continuation of her voyage to Alaska. At 11 a.m. the Prince George, Capt. H. E. Nedden, arrived from Vancouver and Ocean Falls and will sail this afternoon for Stewart whence she is due back here tomorrow returning south. Union steamer Cardena, Capt. John Boden, is due in port tonight from the south.

Silver Wedding Is Observed

Mr. and Mrs. Alfred Anderson Honored At 1150 Hays Cove Avenue

Neighbors and friends of Captain and Mrs. Alfred Anderson had a very fine observance of their twenty-fifth wedding anniversary recently. Mrs. John Moen and Mrs. Peter Anderson were in charge of the arrangements. About thirty people, having gathered at the John Moen home, went to the home of the honored couple to congratulate them and invited them back to the Moen home where the time was spent in pleasant conversation until a delightful luncheon was served at the close of which the pastor of St. Paul's Lutheran Church, Rev. J. H. Myrwang, gave the address of the evening, also on behalf of the guests presenting the couple with an anniversary gift, consisting of a beautiful sofa console table, with set of silver for eight persons. Both Mr. and Mrs. Anderson expressed in touching words their appreciation for not only the gift but for the sincere friendship and genuine goodwill bestowed upon them by their good neighbors and friends. Several other informal words of congratulations and well wishes were voiced after which members of the group gathered at the piano and contributed to the enjoyment of the happy occasion with very appropriate songs.

Alfred Anderson first came to Canada and the States in 1909. He worked and also spent some time attending the Pacific Lutheran College at Tacoma. In 1914 he returned to Norway where he built his home and was married to his childhood sweetheart in 1916. In 1924 the family came to Canada and a little later located in Prince Rupert, where they established their fine home. Mr. Anderson is the owner and captain of the halibut boat Embla. Two brothers are also in this city, Peter Anderson living at Seal Cove and Ole, who has his home with Mr. and Mrs. Alfred Anderson. There is one son in the family, Ole, who is married and has his own home. Mrs. Anderson has her four brothers here, namely, Jens Moen, John, Otto and Nels Jerstad.

Finally, a smaller number of the guests spent an hour at bridge. First prize went to the silver bride, Mrs. Anderson; consolation to Mrs. Anton Dybhavn, while first and second prizes for men were won by Jentoft Ellertson and Otto Ellertson, respectively.

The following contributed to the silver wedding gift:

Mr. and Mrs. A. Jacobsen, Mr. and Mrs. R. Jensen, Mr. and Mrs. P. Anderson, Miss Nelly Anderson, Mr. Ole Andersen, Mr. and Mrs. R. Olsen, Mr. and Mrs. Jens Moen, Mr. and Mrs. A. Dybhavn, Mr. and Mrs. Jentoft Ellertsen, Mr. and Mrs. Otto Ellertson, Mr. Einar Ellertson, Mr. and Mrs. Otto Jerstad, Mrs. Olga Jerstad, Mr. S. Jerstad, Mr. and Mrs. N. Antonsen, Mr. and Mrs. L. Petersen, Mr. and Mrs. Nels Luth, Mr. and Mrs. Hans Hagen, Mr. and Mrs. Oluf Andersen, Mr. Olaf Andersen, Mr. and Mrs. Arthur Arntsen.

NEW MARK FOR HEAT

TERRACE, July 18:—The heat wave continues unabated with cloudless skies and no breeze to speak of. Wednesday the thermometer reached 97 in the shade but the day before broke all Terrace records by touching 99. The records have been kept every year since 1915. The previous record was in the year 1927 when on August 1, 98 was recorded. A feature of the present heat wave is that it stays hot until quite late and with the advanced time the sun shines furiously until nine o'clock.
