Dispensation for Christmas

VATICAN CITY (AP)—Pope John XXIII has granted Roman Catholics throughout the world special dispensation to eat meat on Friday, the day after Christmas.

BRAMPFORDSPEKE, Eng. (AP)—The weight of 13 marrows grown from a single stray seed root in this Devon village exceeds 335 pounds.

We're wishing you an absolutely heavenly Christmas . . . bright as a star, carefree as a cloud.

Santa Rides Again

By Ed Gunder

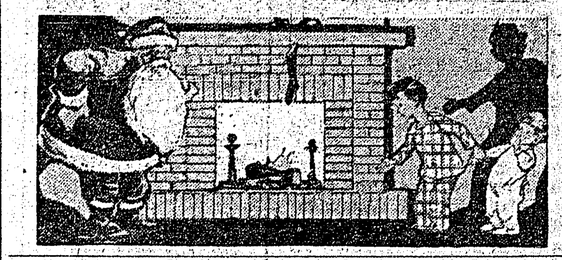
At twenty-two, thirty-two Quackenduck Lane,
On leaving the chimney I looked round in vain
For two little stockings that should have been there,
A singleton dangled instead of a pair.

While standing and thinking and tugging my beard
And hoping it wasn't as bad as I feared,
I heard a small noise and, bent in a crouch,
Secreted myself behind a big couch,

Two shadows were coming, one taller than t'other;
I knew in a flash it was brother and brother.
The larger one said, "Don't shiver and shake.
"It's all around school that Santa's a fake."

At that I stood up and exclaimed "Oh so HO,
"How big in a year can a little boy grow?"
He turned with a cry and said "I and my brother . . ."
Then started to grin. We winked at each other.

He ran up the stairs, returned with his stocking
While shedding his manner so mocking and shocking.
He bowed quite politely right there in his house
And said to me, "Santa I'll hush my big mouth."



FORT BEAUFORT, South Africa (Reuters)—A man living in a village near here was hit and killed by a train Tuesday—in exactly the same spot where, a few years ago, he was knocked down by a train and had both his legs crushed.

PALM SPRINGS, Calif. (AP)—Miss America of 1957 and her soldier mate are honeymooning in this desert resort city today. Marian McKnight of Manning, S.C., was married to Pte. Gareth Cardmody here Sunday by a justice of the peace.

As the world prepares to ring in another New Year, we take pleasure in thanking all our good friends for their loyal patronage and wishing them lots of good luck and happiness for every day of '59.

True Christmas joy best gift for children

One legacy that any of us can leave our sons and daughters is the memory of happy Christmas days at home as children.

Even if we lack money, Christmas can still be a day of joy.

Teach your youngsters to do things for others.

Do everything you can so they will have a happy day. Teach them as early as possible the significance of the occasion, and take them to a religious service.

Cook lots of good things to eat and, again, let the children do what they can.

Have their friends in during the holidays.

Above all, see that a happy spirit prevails in your home during the holiday.

You can go a long ways towards achieving this by planning in advance so that chores do not pile up on you, and by being relaxed and cheerful yourself.

Happy holiday wishes to you, our friends and customers, and sincere thanks for the pleasure of serving you. May your Yuletide be bright with all the season's joys.
