Use PEROXIDE These Six Ways

1 As a mouth wash and gargle, to check germ growth, loosen phlegm, and to purify the breath.
2 As a dentifrice, to bleach, whiten and beautify the teeth.
3 As a bleach and to clear the skin, remove freckles, blackheads, and other skin blemishes.
4 As a bleach, to make hair invisible on the arms, face, neck and legs.
5 For manicuring, to prevent hangnails, and to remove stains.
6 As a perspiration deodorant.

Parke, Davis & Co.'s Peroxide is best because it keeps it strength longest.

STEWART

Mrs. R. T. Crosby was the hostess last Wednesday at a pretty shower in honor of Miss Edith Crawford whose marriage to Louis Behnsen will take place on October 4.

Word has been received here that "Stampede" John Stenbraten, well known here, has bonded a group of claims in Northern British Columbia to the Hecla Mining Co., well known Couer d'Alene operators, for $100,000.

Sidney Charles, well known Ketchikan newspaperman, was a visitor here last week having come over in his own gasboat, accompanied by Mrs. Charles and son.

It is feared that John Berngden ("Cyclone Johnny"), a well known young prospector, has been lost in the hills. The last heard of him he left the Troy mines for Tide Lake, the other side of the Salmon River divide. A search was instituted by Provincial Police Constable Lance Potterton but it proved fruitless. He was 26 years of age and his mother lives in Minneapolis.

R. Noble of Cassiar Cannery, Skeena river, has arrived here to pay a brief visit to his brother, William Noble.

Capt. John Irving, well known pioneer coast navigator, was a visitor here last week inspecting the Premier Extension property in which he is interested.

P. M. Moncton of Terrace is here in connection with the work of mapping the province from the Skeena River to the Yukon boundary. They will work from Meziaden Lake to Stewart, finishing the season here.

ALICE ARM

What is believed to be the richest deposit of high grade ore ever found in the Alice Arm district was broken into at the La Rose mine last week. It consists of quartz joined together with native silver, the silver being estimated to form one-third of the ore. Mining of ore is now proceeding steadily at the La Rose and twenty tons has been sacked for shipment. This is high grade and will be shipped to the smelter as soon as 40 tons is available.

Bert F. Smith, superintendent of the Premier mine, was here from Stewart last week making a general examination of the camp.

A large quantity of machinery for the Toric Mine arrived last week and it is the intention of the Homestake Company to have the mill operating this fall and continue throughout the winter.

W. A. Talbot, assistant district engineer for the provincial department of public works, made the trip overland from the Naas River last week accompanied by Charles Gordon of Aiyansh.

Steve Morrison has returned from Vancouver where he attended the Exhibition.

Elmer Ness left last week for Vancouver en route to the Boundary country.

Mrs. Roland King has returned to Spokane. Mr. King intends to spend some time longer here.

Mrs. F. D. Rice and family have returned to Prince Rupert after having spent the summer here.

SPECIAL TRIPS DURING EXHIBITION WEEK

Prince Charles Being Held Here and Will Make all Points on Queen Charlotte Islands

C.N.R. steamer Prince Charles, Capt. Neil McLean, will make a special trip to Queen Charlotte Island points next week to bring visitors and exhibits here for the Exhibition.

The vessel will leave at 4 o'clock Monday afternoon and will make calls in Massett Inlet, Skidegate, Queen Charlotte City, Aliford Bay, South Bay and Sandspit, returning direct from Skidegate Inlet to Prince Rupert on Wednesday.

On her return from the Islands, the Charles will go to Ketchikan to bring the Fair excursion here.

TERRACE
