Hypnotist "Dr. Kit" Coming Here For Two Shows This Week

One of Canada's outstanding hypnotists of the entertainment world, "Dr. Kit" who has toured extensively in the United States and Canada will give two night performances on Friday and Saturday in the Civic Centre.

Proceeds from the shows brought here by the Prince Rupert Shrine club will be earmarked for Shrine charities.

The Edmonton-born hypnotist started his career 14 years ago as a magician's assistant and found the subject of hypnosis fascinating.

After a year's study in New York he took further training in California under Dr. Powers. Dr. Kit feels he can reach and educate more people in this science through the entertainment field.

His show comprises half an hour of magic and 90 minutes of hypnosis with audience participation.

A sample of Dr. Kit's talent will be demonstrated in Dom's Department store window where he will hypnotise a woman volunteer at 3:30 p.m. Friday.

CONSTABLE DIRECTS GYMNASTS

Program Shows Police Friends of Youngsters

A display of gymnastics presented by the school children highlighted the season's last Annunciation Home and School association meeting, last night in the school hall.

The top-notch demonstration of physical exercises, tumbling and acrobatics was directed by instructor RCMP. Const. James O'Connor.

In thanking Const. O'Connor for his voluntary assistance with the school children throughout the year, Father O. P. Mohan said:

"This is a very healthy program and teaches the children that law enforcemnt officers can also be their friends."

"Having a policeman as their teacher, children learn that the law will not only protect them from others but from their own mistakes and also gives the children respect for the law as well as the guardians of the law," Father Mohan said.

On behalf of the school, student Joseph Arseneau presented Const. O'Connor with a cigarette case.

In other business Father Mohan announced that Grade 11 will be added to the Annunciation high school Grades of 9 and 10 this fall.

Partitioning of the present school hall, to accommodate the added class and additional students, was discussed.

Tentative plans were made for a school picnic, Sunday, June 24, for both parents and children. Mrs. Neil Galbraith, president chaired the meeting.

Refreshments and a film showing by Mrs. Harry Robins, concluded the evening.

Next meeting will be held the second Tuesday in September.

SON Plans Whist, Picnic

A variety of activities were planned Monday night when the Sons of Norway lodge held its regular meeting in the SON hall, chaired by John Fredheim in the absence of the lodge's top executives.

Mrs. Otto Breimo was named convener for the whist drive and dance to be held Friday June 22. Committee members assisting are Mrs. Alfred Jensen, Mrs. John Fredheim, Mr. and Mrs. John Pedersen, John McNaughton, Kenneth Laird and Reinhard Hundeide.

Sunday, July 1, was the day chosen for the annual picnic to be headed by Mr. and Mrs. Pedersen, Mr. McNaughton and Mr. Laird.

A letter was read from president P. L. Peterson, who is in a Vancouver hospital, recuperating from a recent operation. Mr. Peterson writes he is doing very well.

Ritual Group Ends Season

A most successful season of the Women of the Moose Ritual committee came to an end Monday night when nine members gathered at the home of Mrs. Herbert Phipps on Sixth Avenue East for a pot-luck supper and social evening.

Following the meal, supplied by the members, Mrs. Harry Hanson, on behalf of the committee, presented chairman Mrs. Frank Parlette with an earring and necklace set for her leadership thoughout the year.

Mrs. Albert Eveleigh then showed a movie of local scenes and a film of a recent trip made by WOT members to Prince George.

TEEN TALK

By SHANNON PALLANT

The rain didn't stop our "outdoor" dance, held last Friday night in the Civic Centre, from being a tremendous success.

The Civic Centre auditorium was a perfect setting for a barn dance with oil lamps, straw, and even the stage backdrops where Freddy Lang and his boys played and entertained us through the night. We sure are grateful to be able to have these boys play for our dances. Also special thanks should be given to Diana Davidson, who did all the planning, for this dance and made it such a success with all the work she did for it. Thanks! We hope that the rest of our future teen dances will be as big successes.

There was a break in the dance while we all went into the teen room to listen to the first "Teen Time" radio program. Every one seemed to think it was a good show for their first broadcast, though it was hard to catch what was being said over the radio because of the many people who were "listening". There will be another program this Friday night, so listen at 11:00 and hear what else there will be to offer. If you have any ideas to better our program or any praise to give, just phone down to the studio and let them know what you think of it.

There seems to be a great amount of work going on at Salt Lakes. They will still be needing all the help they can get. So keep the ball rolling gang and turn up to do some work at the "Lakes."

Last night there was a meeting of the Teen Council and there sure was fire at that meeting. We discussed the problems of the recent dance and the success it was. We sure are thankful to all the people who helped us in any way with the organizing of this dance.

Some of the parents thought that our dances are ending too late. After considerable discussin we finally decided that we would continue to keep there hours for the following reasons:

● Our teen club is to help keep the teens off the streets and give them a place where they can go and have some fun with their parents knowing where they are.

● If the dance ends at midnight, there are some teens who think that the night is young and decide to finish the night with a "house party".

● If the dance ends at 1 a.m. the hour is just too late to continue and everyone seems satisfied to go home.

If your parents wish you to come home earlier please do so!

We are receiving far too many complaints and it could be to the benefit of all. Remember there are older teens which we must consider.

THE FLOAT ! ! ! There's not much time for ideas and we need them!! !!!

Everyone thinks it's a good idea to enter a queen in the "Miss Prince Rupert" contest. Have you any ideas on who to choose? Remember they must be 17 and be an active member of our teen club. Give any of your ideas to **Bob Jensen** who will want to put our queen on our float including our up and coming band so this will take some planning. We have the use of a 36-foot trailer so we'll have quite a bit of room.

Come on now let's get some top notch ideas!!!

The **Air Cadets** are having an inspection this weekend. I see them practicing up, hoping to outshine the **Sea Cadets**. No prejudice here! Everyone's welcome to come and see how they do.

Remember the meeting this Friday at 7 p.m. at the Civic Centre. We will be electing OUR queen. It is important everyone attend!!! Show your interest in the teen club!
