BULGARIANS CONTINUE TO PRESS THE TURKS AT ADRIANOPLE AND CAPTURE SUPPLIES

BULGARIANS CONTINUE THEIR SUCCESSSES IN BALKAN FIGHT

KING GEORGE AND HIS MINISTERS CONFER AS TO BALKAN
SITUATION AND BRITISH AND FOREIGN MINISTERS
DISCUSS ACTION OF THE POWERS.

(Special to Daily News.)
Sofia, Oct. 28. — Bulgarian forces, according to despatches received here tonight, captured the towns of Luluebergas and Demotica. It is stated that the Turks are erecting earthworks along the River Erkene, west of Eskibaba.

Bulgarian cavalry succeeded in routing all communication between Adrianople and Constantinople and also between Adrianople and Macedonia.

The bridge over the Tchorlu River at Cherkesskoj has been destroyed by the Turkish soldiers.

Non-combatants are being permitted to pass through the allied armies' lines. The commander of the city was yesterday asked to surrender, but refused to do so. The Bulgarians are preparing to storm the city and if that is not successful to lay siege to it. The second military train from Constantinople for the front with supplies fell into the hands of the Bulgarians.

London, Oct. 28. — The Balkan situation was the subject of a lengthy conference between the British foreign secretary, Sir Edward Grey, the first lord of the admiralty, Winston Churchill; Balfour, minister of war, and the foreign ministers. A conference on what action the powers should take in regard to the Balkan war was also held by King George and his ministers.

Lack of Evidence.
W. Thomas, the Greek charged with a serious offense, was on Saturday discharged by Magistrate McMullin, sufficient evidence not being adduced to warrant the case being sent up for trial. The girl in the case, who appears to have been of a loose character, is to be sent back to her parents at Nelson.

Sophia on Last Run.
The Princess Sophia arrived yesterday about 6 p. m. on her scheduled trip to Skagway with a light passenger list, amongst whom were included four members of the R. N. W. M. Police on their way to join the detachment at Dawson. This will be the Princess Sophia's last trip for time being, as she is going to be put on the ways and overhauled and will be transformed from a coal to an oil burner. This will be the first time she has been out of the water since she arrived on this coast, a brand new boat from the Clyde. A change of schedule will take effect, the Princess May continuing to make the Skagway run, the Princess Beatrice and Royal being probably used for the trip here and to Granby Bay.

Are you going to make that promised trip east or to the Old Country this fall? **The Great Northern Ry.** will book you through all Atlantic Ocean lines represented. 2471f

Successful Masquerade.

Amongst the many entertainments that were held last evening, Thanksgiving Night, the masquerade ball at McIntyre Hall was one of the most successful. HYLAND DRAWS WITH CHAMPION

(Special to Daily News.)
Calgary, Oct. 28. — In a fast and heavy hitting fight here today Joe Bayley, the Canadian lightweight champion, and "Fighting Dick" Hyland, a former top notcher, went fifteen rounds to a draw. The bout was staged in Tommy Burns' arena.

From the first tap of the gong the little fellows were at it and continued the pace until the end. Both lads displayed their marvellous fighting powers, and the decision of the referee was satisfactory to the backers of both boys.

Hyland entered the ring a 5-to-4 favorite.

LOCAL JOTTINGS.

Mr. J. Kugler, "Uncle Jerry," returned on Sunday's train from a flying visit to New Hazelton, leaving again for Vancouver on the Prince Rupert yesterday morning. PLEASANT DINNER GIVEN LAST NIGHT BY METHODISTS WAS WELL ATTENDED

Thanksgiving Day Dinner Given Freely by the Members of the
Methodist Church Was Attended by Over Two Hundred
---Pleasing Entertainment and Toast List

More than two hundred ladies and gentlemen representing the various religious denominations of Prince Rupert attended the annual Thanksgiving banquet given last evening by the Ladies' Aid of the Methodist church.

Tables were spread in the basement of the church, laden with all the delicacies of the season and decorated with beautiful flowers. The liberal supply of good things provided by the ladies was an indication that everyone was expected with a voracious appetite. That there was no disappointment in this respect was shown by the rapid disappearance of the huge platters of turkey and cold meats, brimming bowls of delicious salads, pies, cakes, fruit, etc.

The ladies who provided the supper and who looked after the wants of the guests are certainly to be congratulated on their liberality in providing such an

elaborate spread and upon the successful planning and execution of the happy function.

After ample justice had been done to the excellent supper, a thank offering was taken up and it was announced before the conclusion of the evening's entertainment that the handsome sum of over \$200 had been donated.

The first feature on the programme after honoring the King by singing the national anthem was the sale by auction of an autograph quilt, H. L. Murdock acting as auctioneer. There was considerable competition in the bidding, which started at \$10 and closed at \$20. Mr. G. W. Barrie winning the much coveted article.

In the absence of Dr. R. W. Large, Rev. Mr. Sing, who acted in the capacity of toastmaster, proposed the toast "To Our Churches." This was very ably responded to by Rev. Mr. McLeod of the Baptist denomination and

Captain Tuttle of the Salvation Army. The toast "To Our City" was proposed by ex-Mayor William Manson and responded to by Mayor Newton and Aldermen Dybavon, Bullock-Webster and Douglas. W. S. Fisher in a humorous strain proposed the toast "To Our City Press," which was responded to by Mr. Raymond of the Empire and D. B. Taylor of The News. H. L. Murdock proposed the toast "To the Ladies" and G. W. Barrie kept the gathering in roars of laughter in his response.

Interspersed amongst the speeches were several readings and musical selections. Mrs. J. J. Chisholm's recitation was very enthusiastically received, and the vocal solos by Mr. and Mrs. J. Ford Henderson and the instrumental selection by Prof. Kauffman were much enjoyed.

The evening's entertainment was brought to a close by the singing of "Auld Lang Syne."

KAJEN ISLAND CLUB DANCE GREAT SUCCESS

Dance Last Night by the Islanders Proved to be Success of the
Season---Good Floor, Excellent Music, Pretty
Girls and Handsome Men

Never before in the history of Prince Rupert has a ballroom scene, both in regard to beautiful decorations and brilliant gathering, equalled the Thanksgiving dance at the Kajen Island Club last night. It was anticipated that this popular social institution would leave no stone unturned to eclipse anything they had heretofore attempted and they most assuredly fulfilled their desire. The spacious ballroom, which was converted out of the club gymnasium, was a mass of color, being festooned and draped both on walls and ceiling with multi-colored ribbons that it gave a most gala appearance.

Cosy corners and angle nooks were artfully arranged for sitting out in, and the orchestra was enthroned in one corner in a perfect blaze of color.

Dancing commenced at 9 o'clock with half a dozen extras. The grand march, lead off by Mr. and Mrs. F. G. Dawson and from that moment things went with a hum and swing till the last strains of "Home, Sweet Home" were heard close on to 3 a. m.

There was a large and merry gathering, the floor was excellent and the music furnished by the Westholme orchestra superb, all the very latest popular airs following in quick succession much to the delight of the joyful throng. A moonlight waltz and schottische, with lowered lights and the moon in the gallery was one of the hits of the evening.

The greatest praise and thanks are due to the members of the club and especially the committee, with Mr. F. L. Wallace as secretary, for the able way all the arrangements were carried out and the enjoyable time that was had by all who were fortunate enough to be present.

Among those present were, Mr. and Mrs. F. G. Dawson, Mr. and Mrs. J. Lorne McLaren, Mr. and Mrs. Frank Mobley, Mr. and Mrs. George Frizzell, Mr. and Mrs. Hugh Dunn, Mr. and Mrs. C. B. Peterson, Mr. and Mrs. A. J. Edelbrock, Mr. and Mrs. R. Parkin, Mr. and Mrs. S. P. LIEUTENANT M'MORDIE WON GOLD MEDAL AT THE RANGE

IN KEENLY CONTESTED SHOOT THE CIVILIANS BEST EARL
GREY'S RIFLES BY 46 POINTS—W. J. GREER GETS
SILVER AND SRGT. BROWN BRONZE MEDALS.

The long looked forward to Thanksgiving Day rifle shoot was brought off yesterday on the range across the harbor, the two teams representing the Prince Rupert Rifle Association and the Earl Grey's Rifles being on deck bright and early at the wharf to start off for the range and test their prowess as riflemen. There were a few enthusiasts to accompany them, including Captain Fred Stork, the commander of the Earl Grey's Rifles.

Shooting commenced about 10 a. m. and at the end of the shooting for the first range the civilians led by 10 points, the conclusion of the meet leaving them the winners by 46 points. As will be seen by the subjoined scores, the leading men of both teams were pretty evenly matched.

Lieutenant S. P. McMordie, the popular officer of the Earl Grey's, carried off the gold medal with the fine record of 97, much to the delight of the members of the troop. Second place and the silver medal were captured by Joe Greer of the G. T. P. staff with the equally good record of 96. Sergeant Brown, the veteran of South African fame, captured the bronze medal with 94 to his credit.

Altogether the event proved a great success, the weather conditions were first rate, it being a little dark perhaps at the 600 yards range. The silver cup donated for competition by Captain

Fred Stork last year remains a second year in the hands of the civilians, the victors of yesterday's shoot, with the Earl Grey's resting on their laurels as winners of the gold and bronze medals for the first and third highest scores. The scores were:

The competition was for the championship of Northern B. C., and the civilians are to be complimented upon their energy and enthusiasm in promoting from the start this excellent sport in this part of the province. In the team shoot the civilians showed a well balanced team, who practically averaged 90 per man, thereby retaining the Citizens' cup for the second year in succession. Captain Stork's cup, donated this year for the highest score in six shoots made by a member of the Earl Grey's Rifles, is won by Lieutenant S. P. McMordie, the top scorer at yesterday's meeting.

MEMBERS OF THE ROWING CLUB WILL GIVE AN ENTERTAINMENT

MEMBERS OF THE ROWING CLUB ARE PLANNING A DELIGHTFUL SHOW—MUSICAL NUMBERS TO BE TAKEN FROM "OUR MISS GIBBS."

It is definitely announced that the Prince Rupert Rowing Club will very shortly put on another of their successful pierrot concerts. Those who were present at the first one, given a few months ago, will remember what a huge success it was, probably being the most popular offering yet put before a Prince Rupert audience by amateurs of the city. From what one can gather and the efforts that are being put forth and the new talent that is available, the concert that is in course of production will utterly eclipse their former efforts. The music and songs will be chosen chiefly from the popular musical comedy "Our Miss Gibbs," together with other works of a similar character. No more pleasing and delightful form of entertainment can be produced than a concert of this sort with the fetching costumes, tuneful music and laughable and witty quips and jokes. The Prince Rupert Rowing Club, than which no association of that kind in the city is deserving of stronger and

heartier support, has been to an infinite amount of expense and labor to put it upon the effective footing it is at present. Situated as we are at the present time as regards the opportunity for healthy outdoor sport, this club has done its utmost in providing for all those who care to take advantage of the boating on the harbor as a means of exercise and recreation. Next season it is quite likely that Prince Rupert will be able to produce a four oar team that will visit the sister cities to the south of us and if not per haps become champions of the coast, at least be able to make the name of Prince Rupert one to be seriously considered as a competitor in this fine sport in the not very distant future.
