# ARTICLES SIGNED FOR FIGHT BETWEEN OLMAN AND MORTIMER

ALL ARRANGEMENTS COMPLETED FOR THE MUCH TALKED OF MATCH BETWEEN COLORED MAN AND LOCAL BOY—  
BOUT TAKES PLACE THURSDAY, DECEMBER 19.

After two days' haggling and bickering over terms, the principals and promoters of the boxing contest between Kid Olman and Abe Mortimer reached an amicable settlement late last night and the fight is assured for Thursday, December 19th.

The forfeit money was posted with the sporting editor of The Daily News, and both fighters start their active training today.

That the fight will be a good one goes without saying, as there is considerable feeling between the principals of the affair. Apparently Mortimer has been talking of Olman's ability as a scrapper in a manner which the "Kid" does not relish and the arrangements were conducted in a spirit which by no misconception of the word could be called friendly.

According to the articles, the men post one hundred dollars each to guarantee that they will live up to the agreement. Mortimer, who weighs in the neighborhood of 185 pounds at the present time, must weigh in at 170 at 9:30 on the night of the fight, while Olman will enter

# MONEY SENT TO HELP OUST RUSSIANS BACK

Vancouver Chinese Send \$8000 Home to Help in Campaign Against Russia

Vancouver, Dec. 9.—Vancouver Chinese have contributed \$8,000 to be forwarded to the authorities in Peking toward the fund for ousting the Russian bear from Mongolia. The amount was subscribed following an urgent cable request from China that aid be sent to the government, which is working hard to prevent the spread of Russian influence in China. All clerks and laborers contributed \$10, while contractors and merchants gladly signed cheques of from \$100 to \$800 towards the cause.

## STRANGE DEATH

Man Found in Mud With Neck Broken—Is a Mystery

A mysterious death occurred the other day, to a Soham (Cambridgeshire) farm hand, named Andus. Two youths were walking along the banks of the boundary drain separating the fens, and saw the man standing upright in the waterway, with the water reaching to his chin. Further investigation showed that the man was dead and that his feet had sunk deep in the mud. A rope was placed under his arms and it took six men and three boys to pull him out. It was found subsequently that death was not due to drowning, but to the fact that deceased's neck was broken. Around his neck was a body strap quite loose and unbuckled. There was no evidence to show how the man's neck had been broken.

## Militant Methods.

Winnipeg, Dec. 9.—Miss Barbara Wylie, a suffragette leader from England, has been here agitating that the ladies of Manitoba endeavor to secure the franchise. She depreciates patience in the matter, but advises them to take measures such as the suffragettes of England are doing and thus force the government to extend to them the franchise.

# VANCOUVER MAN IS MISSING OVER A WEEK

Really Dealer Disappears with \$4,000—Foul Play is Feared.

Vancouver, Dec. 9.—Leaving his desk open with valuable papers in plain sight and carrying \$4,000 in bills, F. G. Morton, a prominent realty broker and member of the firm of Lawrence, Morton & Madill, walked out of the firm's offices, 313 Holden building, on Friday afternoon, a week ago, with the avowed intention of returning in an hour's time, and since then has not been seen.

For several days a search was instituted by his partners and anxious friends, but finding no trace of the missing man and discovering circumstances which led them to believe he had fallen a victim of foul play, the police were communicated with and at the present time detectives are closely investigating the case.

Morton, who is a well known figure in the realty world here, having been engaged in that line for several years, is a young man of 35 years of age, six feet in height, slim built and dark featured. At the time of his disappearance he was wearing a brown suit of clothes, heavy dark overcoat and a soft felt hat.

# STILL ANOTHER REVOLT IN MEXICAN REPUBLIC

Rebellions in Mexico Are Like the Measles—Another Planned

New Orleans, Dec. 9.—That Jesus Flores Magon, former minister of the interior of Mexico, plans a new revolt in that country is stated in private advices received from Mexico City.

It is reported that the forces of Gen. Zapata, in the south, and those of Gen. Salazar, in the north, are supporting Magon.

## Denounces Novels

Berlin, Dec. 9.—The minister of education has issued a new decree against "dime novels" and "trashy literature." He says that the danger to the German youth from this source of "mental poison" is increasing. He urges parents not only to supervise and watch over the class of novels and romantic reading indulged in by their children, but also recommends the exclusion from homes of daily papers and weekly or monthly publications which tend to blunt the moral sensibilities of the young.

## Jail Favorites

New York, Dec. 9.—Warden Fallon, Deputy Warden Henley and all keepers, turnkeys and "trusties" in the Tombs prison were served with subpoenas to appear before the grand jury and tell what they know about the reported favoritism shown to Charles H. Hyde, former city chamberlain, who last week was convicted of bribery. It is understood that William J. Wright, deputy commissioner of corree

# ALL DANISH WOMEN TO BE GIVEN FRANCHISE

Measure Brought in to Provide Votes for Women

The most noteworthy fact about the Women Suffrage Bill just introduced into the Danish parliament is that the Government itself takes the entire responsibility for the measure, which is based on Democratic principles. Should the reform be carried to a successful issue all Danish women over 25 years of age will be enfranchised, as no mention is made of a property qualification such as exists in Norway. Municipal suffrage in Denmark has been exercised effectively by women for there are now over 130 women sitting on the local councils throughout Denmark, among whom are 31 Socialists.

**You Can Thank Advertising**

**NEXT** time you step into the corner store, take a look around. Of all the articles on the shelves, how many were on your shopping list five years ago? Make it ten years, and you will find that most of the things you buy to-day—and could not do without—were not even made then.

You men and women who buy things, let this sink in. You are better men and women because of advertising. You eat more wholesome food. You wear better clothes. Your home is better furnished. You have cleaner and more sanitary houses. You read better books and magazines. You seek more healthful amusements.

Your whole standard of living has been raised—and why? Because the men who make these better things are telling you that you will be more comfortable, happier and healthier if you use these higher grade goods.

It is advertising that makes it possible for you to buy "the best" right at your corner store. It is advertising that encourages the inventor to make new comforts and new utilities and enables you to buy them almost immediately after they are perfected.

J. J. Hill says this "high living" costs more. True for J. J.—but it is worth more. And leaving the cost aside, do you want to go back to buying jam out of a pail, oatmeal out of a barrel, raisins out of sticky boxes, or tea exposed in an open chest?

Do you regret the money you paid for a Player Piano?

Would you forego the new style razor?

Isn't a Tungsten worth a thousand candles?

Would you now be enjoying these if enterprising manufacturers had not told you about them in their advertisements?

**Isn't life brighter because we have new and higher standards of living?**

**Let us thank advertising for it.**

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 509, Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write if interested.
