PRINCE RUPERT PIONEER IS GIVEN A BANQUET

(Continued from Page 1.)

be back again with his confreres of British Columbia and that this city would have him again numbered amongst its citizens. Before resuming his seat, Mr. Stork spoke in glowing and eulogistic terms of the Dunn boys, whom he described as the best boys that had ever come into the city.

Mr. Dunn himself, in rising to reply to the toast to his health and the handsome presentation, received a great ovation. He was genuinely overcome by the splendid reception. In a few words he expressed his deep regrets at leaving Prince Rupert and really felt it would not be for a very long period. His wife's health was the main reason for leaving at the present. A number of excellent speeches were delivered by the well known citizens present, Mr. William Lynch, Mr. T. D. Pattullo, Mr. Cy Peck, Mr. George Tite, Mr. W. C. C. Mehan, Mr. Fred Peters and numerous others. A splendid spirit of enthusiasm and optimism pervaded the gathering. Stories, songs, personal recollections and reminiscences followed during the evening bringing to a close shortly after midnight one of the most interesting and successful affair of its kind ever brought off in the city.

Mr. Dunn was escorted by his friends down to the ss. Prince Rupert, where himself and family spent the night in readiness to pull out this morning on their passage to the sunny south.

MANY GO SOUTH ON THE PRINCE RUPERT

Thos. Dunn and Family Amongst Those Who Left Prince Rupert This Morning.

Despite the storminess of the morning, a large number of people were down at the wharf to see the Prince Rupert off. She pulled out exactly on schedule time with the popular skipper, Barney Johnson, at his post waving adieux and best wishes for the New Year to his host of friends on the wharf. The departure of Mr. Thomas Dunn and family for San Diego was also the occasion of a sad leave taking, both the departing family and their many friends left behind feeling the severing of old ties acutely. Among the saloon passengers were the following:

D. Bigelow, S. Bigelow, J. Thompson, Alex. Gyr, George S. Sweet, C. C. Loop, Mrs. C. C. Loop, R. Cooper, W. H. Smith, J. McLeod, Mr. Ferguson, Mrs. Fred Stork, R. L. Rauk, A. Stewart, J. E. Marchildon, J. J. Eisenlaat, Alex. Goines, James Cross, Miss L. Custer, Tom Dunn, Mrs. Dunn, Earl Dunn, Misses Helen Dunn, Brodie Dunn, Dudsie Dunn, Elsie Dunn, J. F. Hannington, Mrs. Hannington.

MEMBER FOR PEACE RIVER IS HONORED GUEST AT BANQUET

J. K. CORNWALL, "THE WIZARD OF THE NORTH," TELLS OF THE DEVELOPMENT OF WESTERN CANADA—IS AN ENTHUSIASTIC BOOSTER AND UNBOUNDED FAITH IN BRITISH COLUMBIA

There arrived on the Prince Rupert on Christmas Day in the person of Mr. J. K. Cornwall, a gentleman who ranks very highlyly amongst the virile, strong, dominating characters of western Canada. Mr. Cornwall, who hails from the progressive prairie province of Alberta, has made a distinct name for himself during the last few strenuous years of Canada's great upbuilding and general advance. No greater booster and believer in the immense possibilities of the last great west is to be found anywhere. Devoting for years a great deal of time to the exploiting of the immense country that exists in Northern B. C., he has paid particular attention to the Peace River country.

Mr. Cornwall, who is very enthusiastic about the future of this city and the position that it is destined to occupy amongst the great ports of the Pacific, was a visiting guest last evening at the banquet tendered to Mr. Thomas Dunn.

The opportunity afforded the distinguished gentleman the chance to meet during his short stay here a most representative gathering of our leading citizens.

He delivered a most inspiring and interesting address upon the subject dearest to his heart, the growth and development of Western Canada. He showed where his province of Alberta had much in common with British Columbia in their struggles and tribulations attendant upon the opening up and development of a new country.

His remarks were received with the greatest pleasure and attention by the company, who upon sitting down toasted him with musical honor.

DOCTOR DENIES HAVING PERFORMED OPERATION

Dr. Israel Claims that No Operation on Czar's Son Was Performed by Him

Berlin, Dec. 25—Professor J. Israel, the noted Berlin surgeon, denied today that he had performed an operation upon the young son of the Emperor of Russia.

A story that Professor Israel had journeyed to St. Petersburg and performed a delicate operation on the heir apparent to the Russian throne, receiving as compensation $25,000, and the royal promise of better conditions for Jews in Odessa and Kiev, was telegraphed from Berlin yesterday.

A note was addressed to Prof. Israel asking if this report was true. The following written response was received from the professor's secretary: "Replying to your question, I have the honor to inform you on the authority of Professor Israel that these rumors are unfounded."

LOCAL NEWS ITEMS

Mrs. Fred Stork has gone on a short visit of three weeks to Vancouver, leaving on the Prince Rupert this morning.

Mr. and Mrs. C. C. Loop, the young couple who were married on Christmas Day, and who had such a large circle of friends here, left this morning for San Diego, California, in which city they propose making their future home.

Owing to the illness of Mrs. Johnson, who has gone to California for the winter, Captain Barney Johnson will not bring his family to reside here immediately, as was his original intention. He will not occupy his pretty new residence on Fifth Avenue in all probability until the spring.

George A. Sweet, manager of the G.T.P. Inn, which recently suffered severe damage from fire, went south this morning on a business visit in connection with the company. The work of repairing the hotel is proceeding as fast as is possible, taking into consideration the inclemency of the weather.

Miss Lillian Kuster sailed on the Prince Rupert for Seattle today to be gone a few weeks to study the spring styles in millinery and will return about March 1st with the very latest in that line.

Parachute a Success.

Paris, Dec. 27.—An ingenious automatic parachute for aeroplanes was demonstrated from the Eiffel Tower today. The contrivance, which consists of a vast umbrella, forty feet in diameter, has a system of springs operating instantaneously and automatically when the fall begins. The parachute was dropped today from the first platform of the tower with a sand bag to represent an aviator. The apparatus opened fully before it had fallen sixty feet. It landed gently, taking sixteen seconds to drop 190 feet.
