Hearing the new Edison

Blue Amberol Records

is more convincing than hearing about them

In tone production lies the real test of any record. The Blue Amberol is the clearest, sweetest, most lifelike record that has yet been made.

But it is more. It is practically unbreakable. And it is so sturdy that the results of the thousandth time you play it are as perfect as the first.

Ask your dealer to let you hear them.

BILL McDONALD TIRED OF STYLE

Bodyguard of Mr. Wilson Going Back to Texas to Plant His Feet on Plowed Ground.

Washington, March 21.—Captain "Bill" McDonald of Texas, personal bodyguard for President Wilson during the days after the Baltimore convention and before the election, is going back to Texas. He is tired of the effete East, and its trappings and flourishes pall upon him.

"I'm going back to Texas," he said in mournful tones. "I don't like these here rugs you got 'round this place. My feet's gettin' tired and I want to plant them in an acre of plowed ground."

Captain Bill is a likely candidate for a United States marshalship in Texas.
