If posed to be on (would have six rooms, which (would give accommodation for the high school until a building (become neecssary. He said Principal Hunter would have fifteen to sixteen students for the high school this year and at present they only had a small room in the city hall, which the city might require at any time.

The mayor was perfectly satis. fied that what Mr Nelson said regarding schools and the necessity of education was true, but he could not agree with him that it was the most important matter before the meeting. He thought necessary thing before them, be. cause if a dry summer should happen to occur they could not say what might happen in the way of sickness and contagious and infectious diseases. He then invited the property holders to ask not thoroughly understand, so sponded and the meeting was adjourned.
