AMENDMENT TO BORDEN NAVAL BILL INTRODUCED

UNITED STATES TARIFF BILL PASSES THE HOUSE—WOMAN SUFFRAGE BILL IS DEFEATED

AN AMENDMENT TO NAVAL BILL IS INTRODUCED IN COMMITTEE

LIBERALS READY TO VOTE ANY SUM FOR DEFENCE OF EMPIRE BUT MONEY VOTED MUST BE EXPENDED IN CANADA.

(Special to The Daily News.)
Ottawa, 7.—In the house of commons last night, after amendments to the Canadian naval bill had been discussed and dealt with, the debate on the naval bill was resumed in committee of the whole. Hon. Thomas White, minister of finance, made the opening speech, confining his remarks almost entirely to a justification of his own action regarding his quotation from a speech made by Winston Churchill in the British house of parliament. William M. German, of West-
London, followed in a strong speech against the Borden policy. He contended that the Liberals had shown themselves to be and were now, as ready to do their part for the defence of the empire as the opposite party. They were willing to vote the \$35,000,000 or any amount for such a purpose, but they claimed that any such sum voted for the said purpose should be devoted to the building of a navy within Canada's borders for

TARIFF BILL PASSES CONGRESS BY OVERWHELMING MAJORITY

OPponents TO FREE WOOL, FREE MEATS AND OTHER NECESSITIES COMPLETELY BOWLED OVER—HUNDRED MILLION INCOME TAX A FEATURE

(Special to The Daily News.)
Washington, D. C., May 7.—The overwhelming Democratic majority yesterday swept through the house of representatives the Underwood tariff bill and its free wool, free meat and other necessities, the chief argument being that the hundred million dollar income tax feature would more than overcome any loss the government might sustain because of the free list. The debate has been the most spirited in the recollection of the Democratic leaders. The Republicans have avoided filibustering or a demand for record votes. The caucus rule of solid Democratic votes has been strictly followed out.
The bill now goes to the senate where it will be considered by the finance committee but there are to be no public hearings before this committee of those interested in the measure. Senator Simmons, its chairman in speaking of this said: "There will be no public hearings and that determination is expected to speed up consideration of the bill, after it gets to the Senate." The bill will be under the consideration of the committee for about ten days or two weeks at most and is expected to be reported to the senate about June 1st at the latest.

SAVATION ARMY SOLDIERS IN JAIL

Arrested Streets So Thronged the Army Interfered With Traffic.

Edmonton, Alta., May 3.—Six members of the Salvation Army, two women and four men, were arrested by Magistrate Downes on Saturday on ten days' imprisonment on refusal to pay fines for blocking up the thoroughfare on Whyte avenue. They all pleaded guilty to the charge.
On entering the cells they commenced singing revival tunes, which they continued during the afternoon. Business men on the main street of the river, where the women took place, appealed to Attorney-General Cross and on Saturday night an order was issued for their release.
They at once proceeded to a nearby corner, where the remainder of the corps was holding meetings, and joined in the services.

REFUSES TO DEPORT RUSSIAN REFUGEES

United States Authorities Allow Two Escaped Siberian Exiles To Remain.

Washington, May 3.—The United States immigration authorities here have declined to deport two young Russian political refugees who have been through the horrors of an exile in Siberia. One of these young Russians is at New York and the other at San Francisco.
The Ellis Island case is that of Ellie Kogan, who was held up on the charge of being guilty of an offence involving moral turpitude. Kogan was arrested in 1906, when he was active in the anti-government political movement in St. Petersburg. He was ordered into permanent exile in Siberia.
On a flight toward Japan, Kogan and his companion were caught and knouted publicly. On a second flight he managed to reach Russia in Europe, cross the Czar's dominion by the "underground route" and take ship at Bremen for New York, arriving at Ellis Island on April 3.

GREATER CONFIDENCE IN PRINCE RUPERT

Vancouver People Are Beginning to Realize That This City Offers Good Opportunities.

Mr. and Mrs. H. G. Helgeson returned to the city this morning after a brief visit to Vancouver and Seattle. They were accompanied on the return trip by Mrs. Helgeson's mother, Mrs. Ellen Moore of Bangor, Me., who will spend the summer in Prince Rupert.
Interviewed as to conditions in the lower coast cities, Mr. Helgeson said that he found business very much improved and the people most optimistic. In Vancouver real estate is comparatively quiet and as a result the real estate dealers and those with money to invest are taking a greater interest in Prince Rupert. Where before there had been considerable scepticism in regard to Prince Rupert he found a growing confidence. He had every reason to believe that during the present summer there will be a large influx of investors from the south.

Then he called up an undertaker. When the call was answered, Tony was found on the floor with a pistol in his hand, dead.

MERCHANTS COMPLAIN DUST SPOILING GOODS

Street Sprinkler is Badly Needed on Down Town Streets.

The continued period of dry weather, while quite acceptable in many respects, has its disadvantages. Today several of the leading merchants were complaining of the clouds of dust that are blown along the down town streets and into their shops. Everyone was asking, "where is the street sprinkler?"
Summer seems to have broken forth in all its glory judging from the large number of straw hats and panamas the men are wearing today.

YOUNGSTERS ENTERTAINED PARENTS AND FRIENDS

LAST NIGHT'S ENTERTAINMENT WAS NOT LARGELY ATTENDED—PROGRAM WAS PLEASING AND AT TIMES AMUSING.

A small audience assembled in the Westholme theatre last evening, and were entertained by a number of children, who went through a series of exercises with considerable precision. The little ones displayed quite a bit of talent, and were a credit to their instructor, Mrs. Roberson, who has spent a great deal of time and energy in training them. The Swedish exercises were very prettily executed the smaller children doing particularly well. Little Alice Pillsbury was the star performer in this number, and amused the audience vastly, by her efforts. The flag drill, dumb bell exercises and club swinging were cleverly done and merited the applause with which they were received. The Westholme orchestra gave a number of popular selections in a most pleasing manner, which added a pleasant variety to the entertainment. The following is a list of the children taking part:
Misses Kate Collison, Muriel Collison, Florence Gray, Mary Gray, Kathleen Holland, Grace Manson, Constance McMullin, Violet Mortimer, Esther Naden, Master Jack Naden, Madeline Nelson, Gertrude Nelson, Bernice Palmer, Margaret Palmer, Doris Pattullo, Alice Pillsbury, Katherine Pillsbury, Lucy Pillsbury, Doris Shockey, Grace Shockey, Vera Shockey, Master Maurice Shockey, and Mabel Westenhaver.

WOMAN'S SUFFRAGE BILL IS DEFEATED BY LARGE MAJORITY

PREMIER ASQUITH DECLARED HE WOULD RESIGN RATHER THAN VOTE FOR MILITANT SUFFRAGETTES—MORE MILITANT OUTRAGES

(Special to The Daily News.)
London, May 7.—The fate of the woman's suffrage bill was sealed last night by the votes against it of more than fifty Nationalists. Even Premier Asquith spoke against the passage of the measure. He said that while he to some extent favored extending the suffrage he would most certainly resign before he would give his vote to the militant suffragettes.
The bill whereby it was sought to enfranchise six millions of women was rejected by a majority of 47, the vote standing 266 against to 219 for. Whether there is any chance that the present parliament will pass a bill of a more limited character is doubted. The Nationalists feared to allow the bill to pass even a second reading, as it might lead to a parliamentary struggle which would be likely to end in dissolution of parliament before the home rule bill becomes law.

TWO MORE OUTRAGES

London, May 7.—The Grand Hotel on Trafalgar Square was the scene of an attempted bomb outrage last night, a woman being caught in the very act of placing the explosive. Also St. Catherine's parish church at Hatcham was set fire to by militant suffragettes and completely gutted.

SALVATION ARMY ENTERTAINMENT

The Salvation Army will give a unique junior demonstration at the Citadel tomorrow evening. It is an excellent program of songs, dialogues, choruses, etc.

KING OF MONTENEGRO FINALLY DECIDES TO EVACUATE SCUTARI

AGED MONARCH HAS PLACED ALBANIAN CITY IN THE HANDS OF THE POWERS UNCONDITIONALLY—TENSION GREATLY RELIEVED

London, May 5.—At the close of the ambassadors' conference in London today an official communication was issued reading as follows:
"The fact that the King of Montenegro has placed the fate of Scutari in the hands of the powers is a matter of great satisfaction. The governments of the powers will now consider what arrangements shall be made in the immediate future in regard to the town. The ambassadors will meet again Thursday."
King Nicholas of Montenegro in his telegram to Sir Edward Grey announcing his decision says of Austria's threats of coercion:
"My dignity and that of my people do not permit me to submit to isolated imposition. For this reason the fate of Scutari is left in the hands of the great powers."
Sir Edward Grey, the British foreign minister, announced at today's meeting of the ambassadors that Montenegro had unconditionally placed the question of the future of Scutari in the hands of the European powers.
The decision reached by King Nicholas had the effect of relieving the immediate tension in European politics. It caused unbounded satisfaction to diplomats and the general public. The stock exchange responded at once.
