The attempt was typical of I. W. W. alleged strike, as exemplified in the tailors' walk-out and more recently in the logging camp trouble, in that it failed.

### CALIFORNIA'S LAND BILL

Japan Cannot Take Legal Action Until Measure is in Force

Tokio, June 7.—No legal action in connection with the California land ownership legislation can be instituted by Japan until the end of August, when the measure goes into force, according to Baron Nobuaki Makino, the Japanese foreign minister, in replying to inquiries made by Japanese members of parliament. In the meantime, he said, negotiations between Tokio and Washington would continue.

# Keep Out the Weeds

Weeds unchecked will ruin the crop.

It isn't sufficient to plough and sow well in Spring and Fall and leave the rest to nature.

There are weeds to fight.

There are weeds in Business, too—weeds of competition and opposition—of public indifference from without, and of lack of enterprise from within—weeds that unchecked seriously retard business growth.

Cultivation is the only effective weed-killer. Keep cultivating and the weeds never get a chance to thrive.

There is a combination plough and harrow, fertilizer and spray, for every business—an effective weed-killer that will keep out the weeds.

It is Advertising

It is not enough to plough and sow well with advertisements in Spring and Fall and leave the rest to human nature.

Human nature and the respect your customers bear you are not proof against the Summer weeds that can thrive on rest and apathy.

You must keep busy in the hot weather—you must keep cultivating.

Turn Summer dullness into activity by Summer Advertising. Plan Summer attractions and plant for a crop of Summer profits, and the Advertising cultivation will keep out the weeds.

Keep Cultivating
