

MARCH OF TURKS ADDS TO HORROR OF CONFLICT

CONCERT OF EUROPE MAY BEAR OLIVE BRANCH IN MAILED FIRST TO THE FIELD OF WAR

THE ACTING MAYOR SILENCES OUR ALDERMANIC JEREMIAH

**BULLOCK-WEBSTER ONCE MORE BULLOCK-WEBSTERS
UNTIL HE IS SQUELCHED—HE GOES TO THE
BANK FOR INFORMATION.**

Quintette of city fathers
are more treated to a little
when in the course of
last evening Alder-
Bullock-Webster once more
webstered until his bul-
lockian horns were sawed
off by a brief speech of Acting
Mayor Naden's and he was again
reduced to a state of quiet.

A letter had been read from the
alderman in question
proposed to obtain the next pay-
ment due to Messrs. McMorde
and company for the grading
contracts at Market Place and
Fulton street; it was also asked
what provision had been made
for the eventual payment of the
20 per cent. retention—that is
to say, the amount already held
back out of payments for work
done.

In reply to this Alderman
Bullock-Webster had been re-
ferred to a letter from W. D.
Vance, the city treasurer, in
which it was stated that the ex-
penditure on Section One grading to
date, including No. 2 on Market
Place grading and the grading of
the city property on Fulton
street, had totalled \$644,072.30,
leaving a balance available,
out of \$6,000.

Alderman Naden remarked con-
cerning these questions that it
might be remembered that Mayor
Pattullo had obtained the prom-
ise of \$25,000 from the Bank of
Montreal for the carrying on of
this work and the assurance that
more would be available when the
\$50,000 worth of bonds had

been disposed of. As there was
no reason for doubt that the
bank would live up to its agree-
ment, there was no likelihood of
a tie-up in accounts. There was
money on hand for the payment
of the next amount due and dur-
ing the four weeks before there
would be another demand the
council might reasonably count
on further advances.

Alderman Bullock - Webster
was by no means satisfied with
this. He declared that the city
seemed likely to run out of money
before the accounts became due.
It was, he feared, going to get
into the same fix this year with-
out any necessity as it had got
into last year of necessity. He
had learned that \$20,000 of the
\$25,000 for construction work
obtained by Mayor Pattullo at
Vancouver had been issued on
notes. This didn't leave a very
promising outlook.

Alderman Naden replied that
notes for \$20,000 had been is-
sued but that since Alderman
Bullock-Webster went outside the
council to gather his information
and had been making enquiries
at the bank he had better get in-
formation that was more than
partially correct. It appeared
that Alderman Bullock-Webster
had not enquired how much of
the \$20,000 issued had been ac-
tually expended. Alderman Na-
den could reassure him that the
accounts in question could be met
without recourse to the general
funds.

Alderman Bullock - Webster
did not argue the question fur-
ther.

ONE DOLLAR AN ACRE FOR FINE COAL LAND

**American Interests Obtain Large
Coal Areas in Alberta—Very
High Grade Anthracite.**

Ottawa, July 10.—The govern-
ment has leased to American in-
terests the remarkable coal areas
in Alberta, on Smoky River, 40
miles from the Grand Trunk Pa-
cific, and 200 miles west of Ed-
monton.

The area comprises 32,000
acres of anthracite, said to be of
better quality than that of Penn-
sylvania, and has been leased for
\$1 a acre to Dr. Reinholdt
of Oakland, Cal., and Paul
H. Burg of Honolulu.

They will build a railway from
the site near Jasper Park, and ex-
tend it to sell anthracite on the
coast, as well as ship to the
East Coast and Europe, via the
Panama Canal.

They are contracting with the
Canadian government to supply
the German navy, as the coal is
of such high grade.

Carson's fee as counsel for Lady
Sackville was \$10,000, with an

ALL THE POWERS ENTANGLED IN THE PRESENT BALKAN WAR

**WHOLESALE MASSACRE BY BULGARIANS CORROBORATED—
SIR EDWARD GREY TELLS BRITISH PARLIAMENT IT IS
IMPOSSIBLE TO EXAGGERATE HORRORS.**

(Special to The Daily News.)

London, July 15.—In the house
of commons last night Sir Edward
Grey, secretary for foreign af-
airs, replying to a suggestion
that an armistice be enforced
upon the Balkan states by the
powers, said it was impossible to
exaggerate the horrors of the
war now going on but that mere
words would be unlikely to af-
fect the situation to produce any
improvement in it. Also, there
was another difficulty. In such
an entanglement of affairs as
the present situation presented
it would be an arduous task to
effect any concert of the Euro-
pean powers, and in any case it
might not be wise to resort to
force in order to impose peace.

"We had a great procession,"
said Alderman Leek. "Ten thou-
sand men took part and made a
column two miles long. The
weather was fine till toward the
close of the day, when we had a
little rain. We marched through
the principal streets of the city
to Stanley Park. There we lis-
tened to speeches and watched
sports until the evening. The
whole affair was quite success-
ful and unmarred by any dis-
turbance save in one instance.
A man named O'Bryan tried to
seize the flag, but was taken off
to jail."

HOTEL BAR REFUSED TO SERVE A NEGRO

**But Licensing Board Declined to
Take Any Action Whenques-
tion is Before Them.**

Vancouver, July 12.—Can a li-
cense holder refuse to sell liquor
to a negro? This question was
asked by Mr. J. E. Bird in a com-
plaint to the license commis-
sioners yesterday regarding the
refusal of the proprietor of the
Stratford Hotel to serve drink to
a colored man. In his complaint,
the lawyer intimated that his in-
structions were to test the ques-
tion in the courts in the event of
the board refusing to move in
his favor.

Mr. J. B. Stevens, the license
holder, who was present in per-
son, explained that in the local-
ity in which he was doing busi-
ness there was a negro popula-
tion of nearly 500, and if he
served one he would have to
serve all who wished to buy from
him. This, he said, would be
detrimental to his business and
would hinder him from keeping a
strictly first class hotel.

After considerable discussion
of the question involved the
commissioners unanimously de-
cided to do nothing in the matter
and accordingly the letter was
filed.
