DIRECT SERVICE TO RUPERT IS DESIRED

Bella Coola Residents Find That Present Freight Rates Are Prohibitive.

B. F. Jocobsen, through whose efforts a large number of settlers have located in the Bella Coola valley, is in the city as a representative of the farmers of that district to give evidence before the agricultural commission, which is to sit here on Tuesday. While here he is endeavoring to start an agitation for a direct boat service between Bella Coola and Prince Rupert, which conditions undoubtedly seem to warrant. Bella Coola is only two hundred miles from Prince Rupert, while it is four hundred miles from Vancouver. The settlers in the Bella Coola valley, Mr. Jacobsen says, fully realize that Prince Rupert is their natural market as well as their trading centre. The farmers already have large vegetable crops which they are prevented from shipping to Prince Rupert on account of the prohibitive freight rates. Under present conditions freight from Bella Coola to Prince Rupert has to be shipped via Vancouver. Mr. Jacobsen recently made a shipment of one ton and a half of vegetables to Stewart & Mobley of this city, the freight charges on which amounted to $17.65. With over five hundred settlers in the Bella Coola valley, and the number being rapidly added to, the local Board of Trade should leave no stone unturned in endeavoring to secure a direct freight and passenger service to and from this city.

Mr. Jacobsen informed The News that it takes six weeks to receive a reply by mail from Prince Rupert under the present arrangement.

BATTLING NELSON TO GO UP AGAINST WELSH

Battler Also Wishes to Hook Up with Willie Ritchie in Title Bout Again.

Vancouver, Aug. 5.—Jack Robinson, manager of Battling Nelson, who is in the city, is trying to secure a match for the former champion with Freddie Welsh. He has approached Chet McIntyre with a proposition for the famous battler to go over the fifteen round route with Walsh a week from next Saturday, and Chet appears willing to listen kindly to the proposition. Welsh is prepared to tackle any legitimate lightweight at any time, and Manager Harry Pollock says he will consent to his protege meeting Nelson.

The Battler is still convinced that he can scrap some, and he is anxious to hook up with Willie Ritchie in a title bout again. He figures if he could beat Freddie Welsh he would be in a position to get a bout with Ritchie, and he is going to make the effort if possible.

Presbyterian Services.

On Sunday evening in the Empress Theatre Rev. F. W. Kerr will preach on "Mormonism in Faith and Practice." Mr. Kerr has chosen this topic on account of the fact that at present two Mormon missionaries are trying to gain recruits for Mormonism in our city. At the morning service, in the Presbyterian Hall, an especially interesting service is expected, when Elder Douglas will give an account of the Toronto Congress, to which he was a delegate.

Baptist Services.

Tomorrow the acting pastor, Rev. William J. Scott, will preach. His morning subject will be "More and More," and in the evening "Till He Come." The Lord's Supper will be observed at the close of the evening service. Supday school at 3:30. Strangers particularly welcome.

Office Closed

The office of C. H. Handasyde will be closed until August 13th owing to absence from the city. 179-188

END OF SMOKING

Chicago Woman Has Way to Destroy Habit.

Chicago, Aug. 5.—Miss Lucy Pagy Gaston, for years an active warrior against cigarettes, put a new scheme into effect today. Preparing a chemical compound which when in contact with nicotine makes smoking repulsive, she squirted the fluid into the mouth of a messenger boy. The messenger boy said nothing could induce him to smoke again.

When reporters called to find out how Miss Gaston did it, she explained the preparation had been provided by a chemist and had been tested to be effective. Then she offered to try it on the reporters, promising them all that their pipes would be idle ever afterward.

The reporter who wrote the story was smoking a cigarette, but he refused to experiment.

GILLETTE

The Symbol of Clean-cut Modern Manhood

By making shaving so easy, the Gillette Safety Razor has done much to develop the typical man of to-day—that strong, aggressive, successful individual who scorns to disguise his features with a beard or to appear with an unkempt stubble on cheek or chin.

Shaving with the Gillette takes but three refreshing minutes. You waste no time honing or stropping—or fuming in the barber's waiting row. The Gillette makes home shaving so easy and luxurious that it is no more a task, but an agreeable incident in the morning toilet.

There are over 40 Gillette styles from which to choose. Standard Sets, like the illustration, cost $5.00—Pocket Editions $5.00 to $6.00—Combination Sets, with brush, soap and other toilet articles, run from $6.50 up. From the assortment which your Hardware Dealer, Druggist or Jeweler can show you, buy a Gillette—you'll enjoy it.
