MISS CANADA CAPTURING THE WARY BIRD OF EUROPEAN FINANCE

The immense crops of the Canadian West, far surpassing those of previous years and also those of any other country per acreage, has opened the eyes of financial Europe to the potentialities of the Dominion and loosened its strings. During the past month many leading men have publicly commented on the prosperity of Canada and classed her commercial credit at A1. Money is much easier generally, and Miss Canada is catching her share of it for her varied enterprises and development undertakings.

UNEARNED INCREMENT

Alberta Imposes Tax of Five Per Cent on Land Sales.

Edmonton, Oct. 27.—The unearned increment bill, imposing a tax of 5 per cent. on all land sales, was approved with few amendments prior to the closing of the first session of the third legislature of Alberta on Saturday. Immediately following the prorogation the usual scenes of boyish extravagance took place, the members throwing aside all decorum after six weeks' hard work.

Snow Storm in Missouri.

St. Louis, Mo., Oct. 27.—A heavy snow storm swept over Rolla, Mo., and surrounding country today. Trees were broken down and branches torn off until the streets were blocked. A rain in St. Louis turned to sleet and snow today.

Now Duke of Brunswick.

Berlin, Oct. 27.—The federal council of the German Empire adopted a resolution unanimously today to place Prince Ernest August of Cumberland on the throne of the Duchy of Brunswick, his father, the Duke of Cumberland, having preliminarily renounced his rights to the throne.

FORCE OF HABIT.

When Dorothy was making bread, In maiden days long years ago, Her rolled-up sleeves showed arms of snow, Dimpled and round; her cheeks aglow, She never quite so happy seemed As when her hands were in the dough.

Dear Dorothy is older, now, But habits cling to friend and foe; While hubby sleeps she, lying low, Will through his bulging pockets go, And never quite so happy seems As when her hands are in the dough.

Nearly all wise men are married. Thus they add to their wisdom.

The Curve that Makes the Difference

Looks like just a casual, unimportant bend in the holder, eh?

In reality it is one of the most important things in razordom—the subject of basic Gillette Patents—and the cause of the wonderful adjustability which is an exclusive Gillette feature.

Gripping the blade close to its shaving edges, the curved outer plate bends it down close to the toothed guard, and holds it ABSOLUTELY RIGID. This prevents the vibration which makes other razors pull and cut unevenly, and is one of the chief reasons for the velvet smoothness of the Gillette shave.

Quite as important is the adjustability. Screw the outer plate up tight and it holds the razor edge right against the guard, giving a very light shave. As you loosen it you give the blade more and more "hold", so that it shaves closer and closer. Thus every man can get an adjustment which exactly suits his beard and skin—a thing he cannot do with any other razor in the world.

Why not get an adjustable Gillette and say good-bye to your shaving troubles? Your Hardware Dealer, Jeweler or Druggist can show you an assortment—Standard Sets at \$5.00—Pocket Editions at \$5.00 to \$6.00—Combination Sets at \$6.50 up.

THE MODERN CARPET OF BAGDAD

THERE are few people who do not know the story of the wonderful carpet on which the owner had but to sit, wish to be at some place and, lo! immediately he found himself there.

Some agents of this nature would be appreciated by many a manufacturer in jumping the demand for his product into a thousand places, a thousand miles away from his factory. Apparently to such a man there is no means of "getting there" and placing his name and his goods right into that territory, except by slow, laborious bit-by-bit acquaintance—ship—and mouth-to-mouth testimonials.

But he has overlooked the modern Carpet of Bagdad.

It is Newspaper Advertising.

Fanciful! you say?

Did you ever hear of Edwards' Soups? Well, the genial old cook who forms the trade mark just jumped right from Ireland to a thousand places in Canada in a week—on the Carpet of Newspaper Advertising.

Ever hear of Tillson's Oats? The "braw Scot" who stands for this product stepped over night, as it were, from a small town in Ontario to practically every town and village in Canada.

Wrigley's Gum—Sunshine Furnaces—Comfort Soap—all have taken advantage of this Modern Carpet of Bagdad—Newspaper Advertising.

TO THE MANUFACTURERS OF CANADA:

If you have a name and a product that you wish placed in demand throughout Canada, take advantage at once of the modern carpet of Bagdad—Newspaper Advertising.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency.

A list of capable advertising agents will be sent you on request, without cost or obligation, by the Secretary of Canadian Press Association, Room 303, Lumden Building, Toronto.

PRINTING

Summer is over and the Fall trade has begun. To get your share you must have some sort of printed matter—a circular, folder, booklet or catalogue. Be sure to have that work done properly. You would not send out a shabby salesman to represent you; then don't make the mistake of sending out a poorly printed circular or booklet. We are QUALITY PRINTERS and can produce a piece of printed matter that you would be proud of and which will get results. Try us. Phone 98.
