HUBERT

the new city on the main line of the G.T.P. Railway in

Central
BRITISH COLUMBIA

is so strategically located that it is in the centre of and commands the trade of the wonderful rich and proven agricultural lands in the famous

BULKLEY VALLEY
and also the surrounding mining districts.

All other cities and towns in the Bulkley Valley will be tributary to HUBERT. All branch lines from the main line of railway will start from HUBERT.

The townsite is ideally located in a bend of the Bulkley River and is free from swamps and bog, with magnificent natural drainage.

The first offering of town lots is now open to the public.

HUBERT has behind it the same organization, the same systematic development, the same liberal advertising that placed

FORT GEORGE
on the map and kept it there. Trains are now running to HUBERT, and the G. T. P. Station is built.

PERSONAL ABUSE IN MUNICIPAL CAMPAIGN

Bishop Du Vernet Urges That It Be Avoided in Coming Contest.

Prince Rupert, Nov. 19, 1913.

Editor News: As an old timer who has watched Prince Rupert grow from the first shack on the shore may I be allowed, in view of the coming municipal contest, to earnestly appeal to all who write for our local newspapers to try and avoid personal abuse. Such abuse proves nothing and always reacts upon the writer, for we instinctively despise the man who has lost control of his tongue or his pen. Some of the language lately used can only be described as low, vulgar and at time even blasphemous when sacred things were unnecessarily mixed up in the abuse. In saying this I am not referring to any one writer in particular, but to the tone of some of the writings appearing in both our evening newspapers. John Houston in his terse, epigrammatic style could hit hard, as on one occasion I had reason to feel, but he never descended to personal abuse.

F. H. DU VERNET.

BAYLEY AND WALSH

Will Box in the Westholme Opera House on Twenty-Sixth

Joe Bayley, who arrived here yesterday to box with Smeathers, has, with the cheerful consent of the latter, torn up this contract, and signed another with Jimmy Walsh of Montreal to box fifteen rounds at the Westholme Opera House on November 26th.

Bayley is well known and very popular here. Walsh has a splendid reputation in the fist arena, and the go should therefore be a good one. Both are in training at the Windsor gym. Walsh in the afternoon and Bayley in the evening. Walsh is about 136 pounds at present but believes he can easily reduce to the required 133 by next Wednesday. Bayley is already under weight.

ROYAL MARKSMEN IN COMPETITION

King George to Oppose the Archduke of Austria with Rifle and Shotgun

London, Nov. 17.—A friendly contest of their skill in marksmanship as sportsmen will begin on Tuesday between King George and the Archduke Francis Ferdinand of Austria, and will be one of the most interesting sporting events ever arranged. It will take place at Windsor Castle.

The King is a notable shot, while the arch-duke also has a big reputation, especially for his skill with the rifle in this country, but it is believed that the King will prove his superiority with the shotgun.

Case as Dismissed

A driver for the Prince Rupert Dairy Co. was in the police court charged with a breach of the health by-law. The case was dismissed as it was found that the accused was not responsible for the act on which the charge was laid. It is likely that a charge will be made against the proprietor of the dairy on his return.

A scrap at Beach Place on Saturday between two men resulted in an assault case in the police court this morning. One of the parties to the encounter was fined \$5 and both were bound over to keep the peace.

Ben Edinger and A. J. Pearve left on the Prince Albert last night for Masset.
