JUST Love the Feel of Royal Standard"

said one enthusiast who was elbow deep in her first recipe made with this famous flour.

ROYAL STANDARD "feels good" because it is sifted ever so fine at the mili, over and over again and finally passed through a silken screen emerg-'ing "smooth as velvet," "fine as silk." ROYAL STANDARD will impart to scones, cakes

or bread a silky, velvety feel that is as delightful to the touch as it is to the palate.

Say "ROYAL STANDARD" to your grocer and watch your baking improve.
