

Government of British Columbia

Will sell at auction sales to be held in Vancouver, Victoria and Prince George in the latter part of May a part of its property holdings in towns of

Prince George and Fort George

Let us represent you at these sales. We have a thorough knowledge of the property to be sold, we know what prices have been paid at the Grand Trunk sales and we know what results have been made since. We have no property of our own for sale in either town and no interests to serve but yours. We will charge only a small commission for representing you.

Do not attempt to buy without first securing complete information about the two towns and property to be sold. Full particulars and plan free on request.
