BASEBALL LAWN TENNIS HOCKEY

A side bet of \$10,000 is one of the inducements Freddie Welsh, British lightweight champion, will give Willie Ritchie to sign with him for a world's title match.

The "Big Four" magnates interrupted "Newsy" Lalonde's annual advertising plans by awarding him to the Nationals without first giving at least a dozen other clubs a chance to bid.

Willie Ritchie asked for \$25,000 for his end and 50 per cent. of the moving pictures to fight Welsh in England. He overlooked a request to make it a no-decision affair.

A New Westminster report says that there will be no challenges for the Minto Cup from the East for at least two years. It is doubtful whether there is any foundation to the report. It is R. J. Fleming's one ambition to win the cup, and Turnbull and Spring were undoubtedly signed for the purpose of giving the Torontos the strongest team possible that they might come West and lift the silverware. And if the cup goes east it will be a long time before we will glimpse it out this way again.

According to Milton Oppenheimer, vice-president of the Athletics of Vancouver, the outlook for lacrosse is not any too bright on the coast. Interest is lacking in the national game and no little difficulty is being experienced in signing up players for the pro. clubs. The drop in salaries may have a lot to do with the present situation. Two years ago the players commanded fancy salaries for their services on the field, and now when it is necessary to retrench and build up the game, the veterans do not fancy the idea of returning to the game and taking a chance on the financial returns.

"Dad" Turnbull is confident that his Royal City youngsters will win the Mann cup this year. The Royals will start with all of last year's regulars with the exception of Jack Gifford.

Joe Bayley, former lightweight champion of Canada, and Joe Arevalo of Sacramento, who came into notice by winning from Ad Wolgast, have been matched to fight ten rounds in Oakland on the evening of May 29.

Ty Cobb has "dropped" nearly out of sight among the batters of the American League, according to averages issued last week end. The Detroit slugger ranks thirty-eighth, and has an average of only .240.

"Snowy" Baker, the Australian boxing promoter, has offered Georges Carpentier \$50,000 for three bouts in the Antipodes. It is not likely, however, that Carpentier will make the trip until next year.

In the old days, the prize fighters had to finish a fight, if it went fifty rounds, the battle to be staged within forty-eight hours. The purses were not so large, either. Now some of the near-scrappers go on for fifteen rounds and hug each other for most of the time and collect a king's ransom for the same.

Harry W. Le Gore, a Yale freshman, has received an offer of \$4,000 a season from "Connie" Mack. Le Gore was captain of the baseball, football and basketball teams at Mercerburg Academy. He is not eligible for the Yale University team this year, but may be at shortstop next season if he is not lured away by big league scouts.

Ran Macdonald, one of the fastest players on New Westminster's professional hockey team, is to be given a trial with the Vancouver Athletics this season. Two years ago Ran was tried out with Con Jones, but did not make good on account of so many stars being on the line-up.

Although the Johnson-Moran fight will not be staged for two months yet, orders have been received from New York to reserve blocks of seats. Requests have also come from individuals in other cities. A number of well-known sporting writers have asked for press accommodations. These so far have come from New York, Chicago and San Francisco. The fight will take place in Paris.

Manager George Rennie has chosen Nick Carter and Jack Gifford to fill the vacancies on the Salmonbellies this year, in the place of Len Turnbull and Doughy Spring, who have gone east to play for Torontos. The two new players are fast working into the combination that has brought the Minto Cup to Westminster on more than one occasion, so that the famous aggregation will still be as fast as ever when they go up against the Vancouver Athletics for the opening of the B. C. L. A. which takes place at Westminster on Monday, May 25.

There will be no Cross-Rivers fight at Vernon May 19. Rivers will be given a long rest and will not enter the ring before July 4, when his opponent will be Champion Ritchie.

"Skinner" Poulin will handle the Victoria lacrosse team this season, and not Lester Patrick, as was generally expected. The latter, being engaged in his business, is unable to find time to coach the amateur stick handlers and Poulin has been substituted.

According to President Fielder Jones of the Northwestern league there is a chance that Messrs. McCoull and Wattlett will be compelled to take back the Victoria baseball franchise. The "prexy" spent several days in the capital last week, and found the affairs of the club badly tangled. Russ Humber, the new owner, was saddled with a lot of back debts, and he may decide to turn the club back to the original owners. Victoria is a good ball town, according to Fielder Jones, and although down in the race the fans are turning out in large numbers.

The Pacific Coast Amateur Lacrosse association has forwarded a protest to Joe Lally, head of the cup trustees, against the awarding of mid-season dates to the Calgary Chinooks and the Brampton twelve for games with Vancouver for the Mann cup. The association constitution forbids any team in a league participating in games with outside challengers during the progress of the league season. New Westminster and Victoria players are strongly opposed to the easterners being given first chance for the cup, as the Terminators are weakened this season, and both the Royals and Victorias have an excellent chance of winning the amateur title.
