Royal Standard Date Cookies

Recipe No. 11—Cut out and paste in your Recipe Book.

Two cups ROYAL STANDARD, 2 cups ROYAL STANDARD rolled oats; 1 cup brown sugar; 1/2 cup lard; 3/4 cups sour milk; 1 teaspoonful salt; 1/2 cup butter; 1 teaspoonful baking soda; 1 package dates. Melt the shortening. Add brown sugar, rolled oats, flour and salt. Put teaspoonful soda into the sour milk and mix all together. Stone one package of dates, add a little water and then put on stove for about 15 minutes, add about half cup sugar. Roll dough thin and cut into rounds with a glass. Bake for about 15 minutes. Place date in centre.

BETTY BROWN.

THE proof of the pudding is in the flour

just as much as in the eating. You can prove this to your entire satisfaction by making these popular date cookies with just "flour" and then with ROYAL STANDARD. Every day housewives are learning that old recipes can be made to taste like new ones by just substituting ROYAL STANDARD in place of ordinary flour.

We say "money back if not absolutely satisfactory" in order that you may try ROYAL STANDARD without one cent of risk.

CALGARY NOW HAS STOCK EXCHANGE

Business in Oil Shares Active—Companies With Large Capitalization Organized

Calgary, May 29.—Despite the fact that Monday was a holiday, there was little or note abatement in the oil stock business. Large numbers of shares were bought and sold and prices for the stocks of the leading companies were well maintained. There are fifty-seven companies operating in the city.

These companies control an aggregate of 378,394 acres. Their capitalization is \$46,386,000 and the shares number 62,022,750. The par value of the shares of 43 of the companies is \$1, while the par value of six others is \$10 and of one \$1,000, the latter company issuing only 250 shares. Last week no fewer than 89 applications for incorporation were received at the offices of the provincial secretary, the approximate capitalization of the companies amounting to \$150,000,000.

An organization meeting of the Calgary Stock exchange was held Monday. The exchange will be in full operation within a few days, and it cannot get down to business too soon to please the owners of the stock. The great majority of the brokers are charging 10 per cent. on all deals they put through, whereas the stock exchange will do business on the same scale of rates as are charged at Toronto.

E. Trowbridge, deputy provincial secretary, has been in the city, and after making careful investigation, found that things were in as good shape as could reasonably be expected when the great rush of the week was considered. As far as Mr. Trowbridge could discover, there were no companies operating in Calgary who had not complied with every letter of the law.

Driller Brown of the Dingman well, where the strike was made, states that when the well is drilled deeper disclosures are liable to be made that will astound the world. It was certain, he declared, that the filtered fluid now coming out of the well came from a heavy base oil, and that this deposit must be one of vast magnitude. Twelve wells are now being drilled, and machinery is being rushed into the district as fast as it can be supplied by the manufacturers. The utmost confidence prevails as to the future of the oil fields.

VITALITY REGAINED KIDNEYS CURED

Health Restored By "Fruit-a-lives"

HAGERVILLE, ONT., Aug. 26th, 1913. "About two years ago, I found my health in a very bad state. My kidneys and liver were not doing their work and I became all run-down. I felt the need of some good remedy, and having seen 'Fruit-a-lives' advertised, I decided to try them. Their effect, I found more than satisfactory. Their action was mild and the results all that could have been expected. My liver and kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old time vitality. Today, I am as well as ever, the best health I have ever enjoyed, and I enthusiastically give you this testimonial for publication if you wish."

In hundreds of letters received by the Fruit-a-lives Company, the same expression is used "Fruit-a-lives is the best kidney remedy in the world." At any rate, these tablets have proved the best to the hundreds of men and women who have been cured by taking them. 50c box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.
