PONTOON BRIDGE ACROSS MEUSE FOR SEIGE ARTILLERY

(Special to THE NEWS)

Amsterdam, August 13.—The second attempt of the German army to build a pontoon bridge at Heersal over the Meuse was successful, according to a despatch from Maastricht today. The bridge is intended for passage of siege artillery, several of which are being sent to Liege and others to Namur.

GERMANS DARE NOT LEAVE LIEGE CITY

London, August 13.—The English officers at Namur report that all the twelve forts at Liege are still in the hands of the Belgian and the French forces. While the Germans have the town itself they are unable to set foot outside the same without drawing the fire of the gunners of the forts.

London, August 13.—It is announced that the British Atlantic commerce may soon be resumed. The warship patrols are effective in clearing the route of all dangerous craft.

KAISER TALKS LIKE WM. SHAKESPEARE

Enemy Jumped on Him When He Was in State of Perfect Peace

Berlin, August 11.—A proclamation by Emperor William addressed to the German nation was published in the Official Gazette on the 7th. The text was as follows: "Since the formation of the German Empire it has been for 43 years the object of the efforts of myself and my ancestors to preserve the peace of the world and advance by peaceful means our vigorous development."

"Our adversaries, however, are jealous of the success of our work and there has been latent hostility to the east and to the west and beyond the sea."

"This has been borne by us till now, as we are aware of our responsibility and our power."

"Now, however, these adversaries wish to humiliate us, asking that we should look on with folded arms and watch our enemies preparing themselves for the coming attack."

"They will not suffer that we maintain our resolute fidelity to our ally, who is fighting for her position as a great power and with whose humiliation our power and honor would be equally lost."

"So the world must decide. In the midst of perfect peace the enemy surprises us. Therefore, to arms."

"Any dallying and temporizing would be to betray the Fatherland."

"To be or not to be is the question for the empire which our fathers founded. To be or not to be is the question for German power and German existence."

"We shall resist to the last"

A NEWSPAPER

for Prince Rupert and Northern B.C.

The Daily News goes into nearly every home in Prince Rupert. It is the popular newspaper of the city because it is clean and reliable. It has all the news of the city, and keeps in touch with events and topics interesting to Northern British Columbia. It treats these subjects with moderate optimism and reliability.

The Daily News is the most valuable paper to advertisers because it is read by the buying public. It has a bigger circulation than any other paper in the city. It is read by the class of people the advertisers want to talk to.

PRICES NOT RAISED

August 12th, 14.

To the Editor:

Sir.—At a meeting of the Prince Rupert Retail Merchants' Association held this evening, the Grievance Committee was authorized to send to the press a denial of the statement made in the editorial columns of The Empire of to-day's date, accusing the retailers of raising the price of food. The statement contained a very large amount of falsehood which The Empire had no justification in using. The statement that the retailers are inclined to raise prices on all food products has no foundation in fact. The price of flour, sugar and some cereals have advanced for the reason that the wholesalers have raised the price to the trade. Despite any statement to the contrary that may be made by The Empire, the retailers have been paying sixty cents per barrel more for flour this week than they were selling same for two weeks ago. With sugar and cereals the same conditions obtain—the advance in price to the wholesaler has forced a raise to the consumer. It might be as well to obtain some knowledge of the subject before making an attack on any body of businessmen. Trusting that the press will give this communication prominence, and assuring the public that the retail trade as a body is not responsible for any advance in prices that have occurred since war was announced, we remain,

Yours truly,

R. A. STALKER,
Chairman, Grievance Committee.
P. R. Retail Merchants' Assn.

TO PLOUGH THROUGH ICE TO MEN'S RESCUE

Nome, Alaska, August 12.—The Russian government's ice-breaking boat Taimyr left Nome for Wrangel Island to take off the 21 men and one woman who took refuge there after the wrecking of the steamer Karluk in the ice north of Herald Island last January.

The United States revenue cutter Bear sailed for Wrangel Island via Point Barrow July 21. After she sailed news was received that the ice about Wrangel Island was unusually firm and the Russian government decided to send the powerful Taimyr, which can cut a way where the wooden Bear would be helpless.

The Taimyr did not know of the outbreak of the war until her arrival here.

The Stratford Assessment Commissioner has put the population of the town at 17,028, an increase of 603 since last fall.

Major General Macdonald, Quartermaster General, leaves Ottawa on Saturday on a tour of inspection through the West.

PRESIDENT ASKS AMERICANS TO KEEP COOL NOW

Washington, August 12.—The White House authorized this quotation from the President's remarks to the Washington correspondents on the war situation:—

"It is extremely necessary; it is manifestly necessary; it is manifestly necessary in the present state of affairs on the other side of the water, that you should be extremely careful not to add in any way to the excitement. Of course the European world is in a highly excited state of mind, but the excitement ought not to spread to the United States. So far as we are concerned there is no cause for excitement. There is great inconvenience, for the time being, in the money market, and in our exchanges and, temporarily, in the handling of our crops, but America is absolutely prepared to meet the financial situation and to straighten everything out without any material difficulty. The only thing that can possibly prevent it is unreasonable apprehension and excitement."

"I want to have the pride of feeling that America, if nobody else, has her self-possession and stands ready, with calmness of thought and steadiness of purpose to help the rest of the world."

"And we can do it and reap a great permanent glory out of doing it, provided we all co-operate to see that nobody loses his head. I know, from my conferences with the secretary of the treasury, who is in very close touch with the financial situation throughout the United States that there is no cause for alarm. The bankers and business men of the country are co-operating with the government with a zeal, intelligence and spirit which make the outcome secure."

WOMAN'S BEST MEDICINE

Mrs. Kelly Advises all Women to Take "Fruit-a-Tives"

HAGERSVILLE, ONT., Aug. 26th, 1913.

"I can highly recommend 'Fruit-a-Tives' because they did me an awful lot of good and I cannot speak too highly about them. About four years ago, I commenced taking 'Fruit-a-Tives' for a general breakdown and they did all that you claim for them. Their action is so pleasant, compared with other laxatives, that I found only pleasure, as well as health, in taking them. They seemed to me to be particularly suited to women, on account of their mild and gentle action, and I trust that some other women may start taking 'Fruit-a-Tives' after reading my letter, and if they do, I am satisfied the results will be the same as in my own case."

Mrs. W. N. KELLY

"Fruit-a-Tives" are sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c, or sent postpaid on receipt of price by Fruit-a-Tives Limited, Ottawa.
