JUVENILE BOSTONIANS.

The Juvenile Bostonians Opera Company, coming to the Westholme for seven nights, starting Saturday, September 26, is now making its tenth annual tour completing a decade of successful theatrical history rarely equalled. Founded in the beginning as a group of clever child actors, it has become one of the bestequipped light opera organizations, from the standpoint of splendid voices and clever acting, now on tour. The management changed its policy considerably in the evolution from a "novelty" musical show to a production of such dignity as "The Isle hot and cold water. Terms rea- Royal. of Spice" and "The Golden Slip- sonable. 6th Ave. and Fulton. per," two operas that will be presented here. They have clung to the one rule, htat only girls in wear-complete stock for women with the attraction. Miss Thom Hellen, Patsie Henry, Billiee O'Neill are still with the com-storage. pany. For the opening performance has been chosen New York's latest success, "My Tango Maid. Plan of seats will be at Orme's.
