### COMES UP AGAIN

The Fifth Avenue and Dunsmuir sewer was the subject of a special report by the city solicitor, the city engineer and the Health Committee, about which L. W. Patmore wrote last week. This particular sewer has repeatedly got blocked and backed up into a house owned by Mr. Patmore, doing considerable damage.

Mr. Patmore's letter pointed out that when this occurred before the city bore the damages, and he asked that this be done again.

The report pointed out that when this happened before it was not liable.
