hiel.

In Alsace there is no interrup-  
tion to the fighting and the  
French have made progress near  
Aspach bridge.

##### What Berlin Says.

Berlin, Jan. 23.—The German  
official report claims that French  
attacks at various points have  
been driven off.

In the Argonne, west of Fon-  
tain La Mitte, it is claimed that  
prisoners and machine guns were  
captured.

Northwest of Pont-a-Mousson  
French attacks were driven off.

There is nothing to report from  
eastern Prussia, it is said, and in  
northern Poland the Russians are  
stated to have been driven out of  
Blinno and Gojak.

BELGIANS STILL AT IT.

On the northern battlefield—trenches alongside the Dixmude-Nieuport Railway, which has been  
the scene of desperate fighting.

#### AUSTRALIAN NAVY STILL ON THE JOB

tralian cruiser captured and  
sank a supply ship which has  
been acting as an auxiliary for  
German cruisers.

#### AUSTRIAN PREMIER RESIGNED OFFICE

(Special to The Daily News.)

Rome, Jan. 23.—Count Sturgh-  
Stuerghk, the Austrian Premier,  
is reported to have resigned, and  
is succeeded by the Austro-Hun-  
garian Finance Minister, L. Von  
Bilinski.

#### AMERICAN SHIP'S COLORS LOWERED

State Department Wants Some  
Information About It.

Washington, Jan. 23.—The  
State Department has requested  
of the British embassy informa-  
tion of why the American steam-  
er Greenbrier, from Norfolk to  
Bremen, under the certificate of  
the British consul at New York,  
was stopped by a British cruiser,  
sent under the British flag to a  
British port and detained two  
days before being allowed to com-  
plete her voyage to Bremen.

The detention of the Green-  
brier was brought to the attention  
of the State Department by tele-  
grams from Captain Farley, her  
commander, now at Bremen. Far-  
ley stated that at a point on the  
North Atlantic, which he fixed by  
longitude and latitude, the Green-  
brier was overhauled December  
30 by a British cruiser. The  
boarding officer required him to  
continue on his course, convo-  
yed for a day or two while the car-  
go was being searched.

Then the cruiser placed aboard  
the Greenbrier some additional  
British officers, who hoisted the  
British flag. She also sent a prize  
crew aboard, which navigated the  
ship so that, according to Captain  
Farley, she was damaged before  
she was brought into Kirkwall.  
There the Greenbrier remained  
three days, Captain Farley refus-  
ing to sail her farther except un-  
der the American flag. The Brit-  
ish authorities finally consented  
to the raising of the British flag,  
and Captain Farley took his ship  
to Leith, where a pilot was picked  
up and the Greenbrier was taken  
to her destination at Bremen.

The points upon which the  
State Department wants informa-  
tion are, first, why was it neces-  
sary to search the Greenbrier in  
view of the certificate issued by  
the British consul at New York,  
and, second, why a neutral mer-  
chant vessel was compelled to  
lower her flag when under no  
known rule could she be regarded  
as a prize?

The British ambassador ex-  
pects a report on the subject from  
the London Foreign Office.

#### GERMANS ALTER EASTERN PLANS— ATTACK POLAND FROM SOUTH

RUSSIAN GENERAL STAFF IS AWARE OF RECENT CHANGE—  
FRONTAL ATTACK ON WARSAW WILL BE DELAYED  
FOR THE PRESENT.

(Special to The Daily News.)

Petrograd, Jan. 23.—It has be-  
come apparent to the Russian  
General Staff that the Germans  
have altered materially their  
plan of campaign on the Russian  
frontier, with a view to attempt-  
ing to oust the Russian forces

from Bukowina in northern Hun-  
gary and in eastern Galicia. As  
a consequence it is believed that  
the most severe fighting in the  
near future is likely to occur in  
the south rather than on the  
Warsaw front.

#### ANOTHER AEROPLANE RAID IS REPORTED

(Special to The Daily News.)

London, Jan. 23.—Reports were  
circulated here last night that  
several German aeroplanes were  
hovering over the English Chan-  
nel. Nothing definite is known  
about the raid, although many  
quarters report hearing the noise  
of aeroplane engines.

##### German Aeroplane Founders.

London, Jan. 23.—Fishermen  
arriving at Noordwijk, in the  
Netherlands, assert that they  
saw an airship answering the de-  
scription of a German Zeppelin  
founder in the North Sea.

##### False Alarm.

London, Jan. 23.—There is no  
confirmation of the reported visit  
to the east coast of England of a  
German aircraft last night.

#### LONGSHOREMAN SUES FOR LOSS OF RIGHT ARM

A special jury in the Supreme  
Court which has heard the claim  
of William Atkinson, a Prince  
Rupert longshoreman, for dam-  
ages for the loss of his right arm  
in an accident on board the  
steamer Arna, has assessed the  
damage at \$3,500. Atkinson was  
helping to unload the vessel when  
the derrick boom fell, pinning his  
arm against the hatch, and neces-  
sitating an amputation. Owing  
to the conflicting nature of the  
answers made by the jury to  
questions submitted to them, a  
question of law must be argued  
before the verdict can be entered.  
Mr. Justice Gregory has fixed the  
time for argument for Monday  
morning next.—Vancouver Prov-  
ince.

##### VICE-CONSUL IS RECALLED.

Had Too Many Ideas About How  
War Should Be Run.

Washington, D. C., Jan. 23.—  
John L. Cutright, American vice-  
consul at Nottingham, England,  
was recalled, according to a state-  
ment by Secretary Bryan, because  
a letter written by Mr. Cutright  
and published in an Omaha paper,  
"Contained expressions of opin-  
ion in regard to the war."

A report from Nottingham said  
Mr. Cutright had left there for  
London after being informed by  
the mayor and other city officials  
that he would no longer be ac-  
ceptable as vice-consul.

#### TURKS MAKE CLAIM TO IMPORTANT VICTORY

(Special to The Daily News.)

Constantinople, Jan. 23.—The  
official report claims that the  
British forces, assisted by three  
gunboats, were defeated by the  
Turkish forces near Kurna, the  
junction of the Euphrates and the  
Tigris rivers, and states that the  
Turks defeated the Russian  
force which attempted to turn the  
Turkish right wing.

#### NOTABLE ADVANCES OF RUSSIANS IN POLAND

(Special to The Daily News.)

London, Jan. 23.—A Petrograd  
dispatch says that the Russians  
in northern Poland are continu-  
ing their notable advance from  
Skempe toward Lipno.

In the Caucasus operations  
are temporarily halted owing to  
the necessity of burying the  
Turkish dead.

#### THE PASSING OF THE WAR MAKER

London, Jan. 23.—Count Berch-  
told's resignation is regarded in  
the London press as symptomatic  
of the increasing gravity of the  
Austria-Hungary plight. The  
Times says: "Something has  
snapped in the fabric of the dual  
monarchy. What exactly has  
given way, whether any other  
deep ruptures will follow, we are  
not yet in a position to guess."

The Daily Mail, in an editorial  
entitled "The Man who Made the  
War," says the resignation means  
Hungary's alarm at the advance  
of the Russians and the increas-  
ing probability of Roumanian in-  
tervention have aroused Vienna  
to the necessity to impose a  
tighter hold on Hungary.

The Daily Chronicle suggests  
the appointment of Burian is  
meant as a sop to the disaffected  
Magyars.

The Daily News says: "The  
state of Austria-Hungary is so  
perilous that the question is  
whether she can be saved at all  
by anything but peace before  
more enemies fall upon her.  
Clearly, Berchtold could not pur-  
sue a course radically different  
from one with which his name  
will be eternally associated."

#### BASEE REPORTED TAKEN BY THE ALLIES

(Special to The Daily News.)

Jan. 23.—It is reported  
Bassee is now occupied  
Allies, after the repulse by  
tish of a determined Ger-  
ort to force their lines.

#### BISHOP SERVED WITH PAPERS IN LIBEL SUIT

Omaha, Neb., Jan. 23.—Bishop  
W. T. Sumner, of Oregon, who  
passed through Omaha today on  
his way home to Oakland, was  
served while passing through  
Clinton County, Iowa, with papers  
in a suit for \$50,000 damages for  
alleged libel. The plaintiff is  
John Calvin Murray, a resident  
of Jackson County, Iowa, who  
took the same train to Chicago  
and telegraphed ahead to attor-  
neys to prepare the suit.

The action is the outgrowth of  
alleged criticisms passed upon an  
Episcopal minister in Chicago,  
who some time ago married Mur-  
ray and afterward declared he  
was not aware the latter had been  
divorced. The legal papers were  
served on the train last night.

#### ANNUAL MEETING OF BOARD OF TRADE

The annual meeting of the  
Board of Trade was held last  
night in the rooms of the organ-  
ization, on Second Avenue. A  
number of matters came up be-  
fore the board but as the new of-  
ficers were being elected it was  
decided to pass them on to the  
new council.

The president read a lengthy  
and instructive report of the  
year's work which included a  
lot of valuable information about  
this city and district. The presi-  
dent explained that the report was  
almost entirely the work of Com-  
missioner F. S. Wright, and it  
shows a minute knowledge of the  
progress and resources of this  
district. It will be published.

The election of officers for the  
year was then proceeded with. It  
was decided that all past presi-  
dents should be ex-official mem-  
bers of the council. The follow-  
ing were elected, and constitute  
the new board for 1915:

President—D. G. Stewart.  
Vice President—G. W. Nickerson.

Secretary-Treasurer—J. Lorne  
Maclaren.

Executive—T. D. Pattullo, G. L.  
Clayton, W. E. Williams, G. J.  
Frizzell, M. P. McCaffery, A. Da-  
vidson, G. A. Woodland, O. H.

Babington, J. G. McNab, M. J. Ho-  
bin, S. Parker and M. Albert.

#### BAND CONCERT.

The Metlakatla Band will  
shortly give a concert in the  
Westholme Theatre in aid of  
their band funds. The Metlakatla  
boys have been so generous with  
Prince Rupert that they should  
be patronized in turn. Mr. Hoel-  
cher, of the City Band, will be di-  
rector for the occasion and is the  
first time they have received any  
white assistance.

A few copies of the Pioneer  
Booklet remain unsold. To close  
them out quickly the publishers  
have reduced the price. Get one  
at Orme's (either store) for 75c  
while they last.

#### CALLS ON BRYAN TO INTERVENE NOW

Toronto, Jan. 23.—The fol-  
lowing telegram was to-  
day sent to W. J. Bryan,  
United States Secretary of  
State, by Rev. Bryon H.  
Stuffer, pastor of the Bond  
Street Congregational  
Church and a former resi-  
dent of the United States:  
"How much longer will  
you keep silent while non-  
combatants are being  
murdered and every prin-  
ciple of The Hague Con-  
ference is being violated?  
You have your ideals and  
your dreams. You have  
spoken eloquently of the  
Prince of Peace. Your  
continued silence must  
surely give the lie to your  
lectures and sermons. I  
am sure I speak for the  
great majority of former  
residents of the United  
States now living in Can-  
ada."
