Suffered For Forty Years Until He Used "Fruit-a-tives"

BRONTE, ONT., OCT. 31st, 1913.

"For about forty years, I was troubled with Lame Back brought on by Kidney and Bladder Trouble. I was never confined to my bed with the trouble, but it affected my spine and I had to rest for a time. I took advertised remedies which never did me any good. Then I saw "Fruit-a-tives" advertised and decided to try them. They did me more good than any other remedy. My son suffered from the same trouble and frequently had to leave off working, but "Fruit-a-tives" remedied it for him. I would strongly advise anyone suffering from Kidney and Bladder Trouble to use "Fruit-a-tives".

Ottawa, March 16.—During the course of a debate on the National Transcontinental railway in the senate, arising out of a request for papers, Hon. Mr. Loughheed made a statement to the effect that it is the intention of the government, pending negotiations with the G. T. P., to operate the road in order to preserve it.

Mr. Loughheed said that until last winter the road had been in the hands of contractors. When the minister of railways went over the line last fall, he found about a thousand settlers in the vicinity of the lines and provided

Newport News, March 12.—Captain Max Thierichens, commander of the German converted cruiser Prinz Eitel Friedrich, broke his seal of silence today for the first time since he sought haven in this port Wednesday and told something of his four months' roving as a commerce raider.

The commander, as he sat in his ship's cabin, was asked if his historic raid of the sea was over. "Just wait!" he exclaimed.
