

KIDNEY DISEASE WAS KILLING HIM

Until He Used "Fruit-a-tives"
The Great Kidney Remedy

HAGERSTOWN, Ont., Aug. 26th, 1915.
"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. Having seen 'Fruit-a-tives' advertised, I decided to try them. Their action was mild, and the result all that could be expected. My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever."

HEALTH-GIVING HOT SPRINGS AT LAKELSE

While the hinterland of Prince Rupert is rich in mineral deposits and in farming and grazing lands, it is sometimes forgotten that it also possesses health-restoring properties second to none on the continent. Within easy reach of the city of Prince Rupert there are hot springs, which, if they were located in Colorado or some other distant spot, would be visited by many thousands of invalids every year. Lakelse hot springs have a temperature of 180 degrees Fahrenheit, while they possess medicinal qualities of the highest importance.

Business men who are feeling run down under the strain of present day business conditions cannot do better than communicate with Mr. J. Bruce Johnstone, manager of the Lakelse Ho. Springs Hotel, who will readily give all the necessary information about the springs and the surrounding district. There is plenty of good trout fishing to be had in the lake and anyone spending a few weeks in that district is bound to return refreshed in body and mind.

SERGEANT WELLS IS WELL WORTH HEARING

Editor, Daily News,

Dear Sir:—While in Vancouver last week, I heard Sergt. Wells give his lecture on his experiences at the front and show the splendid views he has. I was so interested that I went a second time. It was so interesting that Vancouver filled its largest theatre twice a day for a week to hear him.

I am writing this note so that Prince Rupert people may not miss a really good thing, and also that it may give a helping hand to one who has been to the front and lost an arm, besides receiving

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

other severe wounds, and who is now using this means of earning a living for himself and his family, and incidentally doing something for the "Prisoners' Aid" fund, to which he gives a percentage of his net receipts.

"THE GODDESS" AT WESTHOLME THEATRE

Anita Stewart and Earle Williams in "The Goddess" are the stars at the Westholme tonight. This drama is one of the most remarkable photoplays in which this famous couple have appeared. The piece is always interesting and often highly amusing because of the absolute innocence of the goddess in regard to the things of the world.

There is a thrilling railroad drama; a splendid two-act modern drama entitled "Reaping"; a Selig Tribune Weekly and a most laughable comedy.

Sergt. Wells will tell of his experiences on the western front on Friday and Saturday when six great war reels will be screened.

If you want to serve your King and country see Charles Youngman, recruiting sergeant for the 102nd Battalion.
