**Local News Notes**

Mr. J. Mason Adams, of Smithers, was among the arrivals in town yesterday, returning from the south, whither he had been on a visit.

Mr. L. W. Reilly was among the passengers arriving from the south on yesterday's steamer. He has been making a tour of the lower coast cities.

Mrs. C. N. Tubman of the Queen Charlotte Islands, arrived in town yesterday from Vancouver, where she had been visiting. She left later by the Prince John for home.

The fishing boat Alliance has arrived with 6,000 lbs. halibut, and 2,000 lbs. black cod. The price realized was 16½ cents for the halibut and 5c for the black cod.

Yesterday's steamer brought about ninety passengers returning to their homes on the prairie. She had a big passenger list, there being over two hundred and thirty on board.

Mr. Monte Craig came back to the city yesterday after a tour among the southern cities. He hoped to get rid of rheumatism when below, but unfortunately he brought it back with him.

Mrs. E. F. Duby arrived in the city yesterday afternoon by the Prince Rupert. Mr. and Mrs. Duby will make their home here, having rented the house of Mr. and Mrs. Frank Mobley on Fourth Avenue.

Mr. and Mrs. F. L. Buckley of Vancouver, arrived in the city last evening on their way across to Masset. Mr. Buckley is of the Masset Inlet Lumber Co., who have extensive holdings of timber limits there.

The traffic between way ports on this coast is increasing rapidly. The delay in the arrival of the Prince Rupert yesterday was accounted for by the large quantity of freight for and from Ocean Falls and Swanson Bay.

The Prince John had another capacity load of passengers for the Queen Charlotte Islands last evening, there being over a hundred on board when she pulled out. She will be back on Monday from the north end and will leave again for a trip to the southern portion of the islands.

Mr. M. M. Wells, late of the firm of Stalker & Wells, came off the steamer yesterday. Mr. Wells has been invalided and discharged from the army, having been through the fight at Vimy Ridge. He received a hearty welcome from many of his old friends who were on the wharf to meet him.

**AT THE WESTHOLME**

Tonight at the Westholme Theatre, Charlie Chaplin will again appear. Last evening the house was filled with a delighted audience, who revelled in the ridiculous antics of this famous comedian. There is a subtle something about Charlie Chaplin which appeals to the great majority, ridiculous and all as he is. Everyone is sorry when the end of the reel comes. Last evening the house rocked with laughter from the first scene until the last, and the same thing is bound to happen this evening. Tonight, however, there will be a new five-reel feature entitled "Life's Shadows," in which the stars are William Nigh and Irene Howley. This is one of the Metro productions, which are already famous. The attractiveness of this evening's programme is fully up to the standard.

**TUSCANIA VICTIMS**

A Scottish Seaport, Feb. 14.—The American dead as the result of the sinking of the Tuscania apparently now number at least 159. Thus far 145 bodies have been recovered and are buried along the Scottish coast, and fourteen additional bodies were buried today.

**NOTICE TO DOG OWNERS**

Dog licences are now due for 1918, and same can be obtained at Police Station. All owners of dogs that have not taken out the necessary licence by the 1st day of March, 1918, will be prosecuted.

Police Constable, Authorized Pound Keeper.

**DELEGATION TO GO TO OTTAWA TO PROTEST**

Continued From Page One.

ter should be tested out in the courts, in a manner which would wake up this Union Government that the people of this northern country would not stand for this restrictive action.

Alderman Casey, in order to find out the feeling of the meeting was in favor of sending someone opposed to the recommendations of the Royal Commission, and moved accordingly. His motion was seconded by Mr. D. G. Stewart. Mr. J. C. Gavigan moved an amendment that the merchants of the city should meet the expense of this delegation by at least fifty per cent., as they were the ones who would benefit directly from the increased trade, which the opening up of the fishing would mean. He personally was prepared to give \$25 if the delegation was successful, and \$50 if they were not, in order to fight the matter out in the courts. This amendment was seconded by Ald. Kirkpatrick. This amendment, however, on being put, was lost, and the motion was carried.

Mr. Fred Stork suggested that one of the things which would help this matter would be the action of a press committee, to give publicity to the state of affairs as it really exists, so that every newspaper in Canada would be in the possession of the facts. This was agreed, and Messrs. Stork, Nickerson and Doyle were appointed accordingly.

The meeting then adjourned.

An anniversary concert will be held in the Methodist Church on Monday evening, March 4th.
