A fisherman from Ketchikan named Emil Simonsen died this morning at the General Hospital. He was taken to that institution on October 29. Born in Norway 31 years ago he is understood to be a member of the Fishermen's Union, but he is not registered here. The B. C. Undertakers have charge of the funeral arrangements.

C. C. Perry, Indian agent here, has received notification of the death of Catherine White, daughter of William White, of Port Simpson. The girl died in Vancouver. This is the thirty-fourth death among the Indians of this agency since the start of the influenza epidemic.

SHOUTED FIRE AND BROUGHT OUT WAGON BUT NO CONFLAGRATION

When the fire department responded to a call near the corner of Third Ave. and Sixth St. at 3:30 this morning they were startled to find a man dressed in nothing more substantial than a suit of underclothing to ward off the gentle zephyrs that meander up the Avenue. The man was apparently imbued with the idea that there was a fire somewhere, for he continued to shout at the top of his voice "fire, fire!"

Not being able to get an intelligible answer to questions, the officials of the department took the man up on the wagon and drove up and down the street looking for the fire which seemed to exist only in the imagination of the partly clothed man.

The man who gave the alarm is a French-Canadian and could speak hardly a word of English, but he knew the word "fire" all right, so the firemen say, but whether he knew its meaning is not clear.

NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT TO Depot Battalions and who have thereafter received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar he leaves the jurisdiction of the Registrar and comes under that of the Department of Militia and Defence, and is to be considered as a soldier. This applies to men of the 20 to 22 Class who have been ordered to report by the Registrar in virtue of the cancellation of exemptions by Order-in-Council of the 20th April last, as well as to those ordered to report in the usual way on refusal of claim for exemption, or on expiration of exemption granted.

All men, accordingly, who have been ordered to report, and are therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE REFERRED TO, REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by their Commanding Officer or by general notice published by the Department of Militia and Defence.
