AID BONAR LAW

LONDON, (P-How Lord Beaverbrook bought huge blocks of shares in which his dying friend, Andrew Bonar Law, had an interest, in order to sustain the price, is related in "The Real Lloyd George" by A. J. Sylvester. Sylvester, private secretary to the late Earl Lloyd-George, served for a short time in a similar capacity to Law when he was prime minister. Law, like Beaverbrook, was Canadian-born, and "I do not know two men in the field of politics who meant more to one another."

"During his last illness, one Hatching Chore of the things which Bonar was exceptionally interested in was Irks Papa Kiwi some investment which he had made in, I belivee, copper shares," Sylvester writes. "Every time Beaverbrook called Law asked about the price of cop- has developed in the only kiwi per and every time the ques- family breeding in captivity. tion was asked, Max (Beaver- New Zealand's strange wingless brook) was able to tell his friend bird is becoming rare and a pair that the price of copper was ris- at the Hawke's Bay Acclimatizaing and with it the value of tion Society's game farm are the
