NO DISEASE IN DISTRICT COWS

Veterinarian Visits Herds and Finds Only Trouble Was From Imported Stock

There were only two tubercular cows in the Prince Rupert district and they were animals recently imported from the Fraser Valley, declared J. D. Macdonald, provincial veterinarian, who went south yesterday after testing cows at Cedervale, Anyox and in the Prince Rupert district. One local cow recently reacted to the tubercular test and had to be killed and another in one of the district dairies from the same place in the south also had to be disposed of. Purely local stock were perfectly healthy and Mr. Macdonald says it is all nonsense to suppose that Prince Rupert is not a healthy place for cows. In every case in the several visits he has made here, the only cows that were diseased were the recently imported or the importation of the disease could be traced to them.

Mr. Macdonald says that Dr Alton, who judged at the Smithers fair, is examining some of the interior herds in order to insure that Prince Rupert's milk supply be protected.

Mr. Macdonald was particularly pleased with that part of the Skeena Valley around Cedervale and Woodcock. He says the turnips he found there were some of the best he has ever seen.

TERRACE PEOPLE GIVE SENDOFF TO TWO CLERGYMEN

Rev. W. F. Barfoot and Professor Wickenden Both Leave for Saskatoon College

TERRACE, Sept. 8.—Members of the Anglican church and other friends of Rev. W. F. Barfoot and Professor Wickenden held a social in their honor on Friday evening in Progress Hall. A good musical program was given, those taking part being Mrs. Marsh, Miss Kerr, Mrs. Keith, and Rev. Wm. Allan.

Mr. Barfoot gave an interesting talk in which he expressed his appreciation of the hospitality and good fellowship meted out to him during his stay in Terrace as well as the great assistance rendered him in the carrying out of his duties. He expressed his regret at leaving and his good wishes for the future work of the church.

Mr. Wickenden also spoke a few words expressing himself as having thoroughly enjoyed his holiday here and thanking the people for their kindness.

After the program refreshments were served by the members of the W.A. and a pleasant social hour spent.

Mr. Barfoot has had active charge of the Anglican Church work here since last May, and during that time has made a host of friends.

Professor Wickenden also has made many friends during the few weeks he has been here as Mr. Barfoot's guest, and especially during the weeks that the boys and girls spent in camp at Lakelse Lake.

Mr. Barfoot and Prof. Wickenden left Monday for Vancouver, Victoria and Seattle, where they will spend a brief holiday before returning to their duties on the teaching staff of Emmanuel College, Saskatoon.

BRINGING UP FATHER

BASEBALL GAMES AT SMITHERS WERE WON BY BURNS LAKE TEAM

SMITHERS, Sept. 8. — The high class baseball of recent games in the valley was maintained in the two games at the Smithers Fair last Thursday and Friday. The games were between Burns Lake and the local nine and were both won by the visitors who seemed to get the best of the breaks, and were lucky in placing their hits.

In the first game Geo. Roberts pitched for the home team and Nolan for the winners. George was off his usual form and was touched up for four runs in the fourth innings but stayed until the seventh when Cliff Warner went in the box Nolan pitched good ball, allowing the locals only four runs while his team collected ten. The players were:

Burns Lake—Shary, cf; Johnson 1b; Dickinson, 2b; Lansdon 3b; Nolan, p; Kerr, cf; Jensen rf; Dally, c; Ashford, lf.

Smithers—Arnold, 2b; Lewis lf; Roberts, p; Graham, s.s. Finnerty, rf; Goodacre, c; Warner, 1b; Mutch, 3b; Lewis, cf.

Second Game

In the second game the first baseman and pitchers of both teams switched places, Johnson going on the mound for Burns Lake and Warner for Smithers and the game proved to be a pitcher's battle with Johnson having a little the edge. It was something new for Smithers fans to see Warner in the box and his work as he fanned the batters with regular frequency came as a big surprise to many. The score in this game was 4 to 2.

Several double plays were made in the games and in one instance Roberts pulled off one unassisted when he was playing first. He got a hot fly down the line and a runner was also unable to get back on the bag in time. Ken Warner officiated behind the bat with Len Raab taking care of the bases and Dad Arnold handling the score board.

THE MAN IN THE MOON says:

In spite of the political campaign we are all here.

Somebody's going to be elected next week and I think I know who it is.

Yes, I have a dollar to bet
I'll back my opinions yet;
For it's easily seen
I shall not bet on Meighen
For from him we have nothing to get.

Can this election stuff and let us get down to business. Who are you going to vote for?

I know a man that went to the auto dealer and asked for a detouring car. He'd get that anyway if he bought any kind.

If anyone tells you that Brady really expects to win, don't believe it. It is simply a case of autointoxication.

Will they make Dempsey take off his false nose during the fight?

Tories are like Dempsey, they do not really wish to deceive but they make things look different from what they really are.

Will the defeated candidate come up smiling? Well, not very. But doubtless he'll do the best he can.

This is the last lap of the election race so let it be a peppery one.

GYRO CLUB HAS CHAMPIONSHIP

Made it Three Straight With 11 to 1 Score Over Native Sons Last Night

Making it three straight wins, the Gyro Club last evening captured the city baseball championship by defeating the Native Sons 11 to 1. The match went five innings and was witnessed by a good crowd of fans.

The Sons had Lambie on the mound at the opening of the game but he was visibly overworked as a result of previous games and, before he was removed at the end of the second inning and Vic Menzies substituted, the Gyros had made seven runs while the Canucks got their one and only. The Sons' fielding was again weak, while the Gyros were playing almost perfect ball and hitting hard, the winners, in all departments, being superior. Features of the game were home runs by Haveland, in the second, with none on bases, and Schenkler, in the fifth with two on.

The batteries were: Lambie, Menzies and Balfour for the Sons; Schenkler and McKeown for the Gyros. Hobbie and Dowsie acted as umpires.

Secore by innings:

	1	2	3	4	5	
Gyros	6	1	0	1	3	11
Native Sons	0	1	0	0	0	1

FAMOUS BATTLES FOR THE HEAVYWEIGHT TITLE

Sullivan Knocked Out

John L. Sullivan, an old man at 34, was knocked out by James J. Corbett, a youngster of 26, at New Orleans September 7, 1892, after 21 rounds of battling. They wore their gloves larger in those days but a spectator, describing the end, declared: "Sullivan fell like an ox, rolled over on his stomach and was counted out."

"I went in too often," was the champion's explanation of his defeat. "Five years ago I could have whipped any man in the world."

"I rained blows on him," was Corbett's summing up of the fight.

It was a sad day for Sheriff John Duffy, White Plains, N. Y. The sheriff agreed in the event of defeat of Sullivan to go home each night at 7 o'clock and refrain from drinking any spirituous liquors until January 1 of the following year.

Over-confidence sat in Sullivan's corner during the bout. The Boston "Strong Boy" admitted after he had been dethroned that he had held the shifty Corbett too lightly and had not applied himself to his training as he should.

William Muldoon, now a New York boxing commissioner, who one trained John L., stopped a theatrical engagement long enough to say that he was not surprised when apprised of the champion's downfall.

WORKS BOARD IS CRITICIZED

Mayor Declares it Is Not Attending to Its Job.

That the Board of Works, in the absence of the chairman, Ald. Perry, was not meeting as it should to attend to its business and that a meeting had been called off last week when Ald. Perry was in town when there was business for its attention was the charge made at last night's council meeting by Mayor Newton.

The discussion arose when Ald. W. J. Greer reported that one of the city's horses had died and that the city engineer had recommended that a tank be placed on the city truck at a cost of $50 for use in night-soil collection and that the remaining horse be sent to Shawatlans Lake where one was needed in connection with the repairing of the pipe line.

Mayor Newton then referred to the fact that the Board of Works had not been meeting to take care of such business as this. He said that the chairman of the board had called off the meetings at the last minute with the result that the committee did not know where it was at. He thought the committee could meet in the absence of the chairman. All the committees, he felt, should measure up to requirements and it was a pity if they did not meet to attend to the business before them. It was possible that Ald. Perry, who was engaged out of town temporarily, might not be back to the city for a while.

Ald. Casey did not see why the Board of Works could not meet even if the chairman was out of town.

Finally it was decided on motion of Ald. Stephens to refer the matter of the horse and tank to the members of the committee who were in the city for action.
