With Harry Astoria pitching for the city team the Red Sox think they can put up a good show as they are accustomed to his twirling at Market Place. The winners of the Labor Day event are also contemplating holding a dance in the near future. The dancing season is again coming round and they want to start off the amusement with an affair in which the dances will be named in baseball terms.

> Ben Self arrived at the football game last evening too late to boost for his team. The great calamity had already occurred Total and the Trail boys were beginning \$74 15 to slow up more than ever. Ben 41 20 heard the score and a few minutes later the whistle blew for time so 84 40 he turned right around and went home.

D. Robinson, who played outside right for the Sons of England 17 05 in last evening's match, arrived 14 25 back from Anyox with his wife 34 20 and child a short time after seven 79 15 o'clock. It was hard to have to stand at the rail and await the etting down of the gang plank, 12 30 when he knew that the team on 12 30 the hill was going to play ten 999 men until his arrival. However, he wasted no time after getting 12 30 ashore but rushed up to Acropolis 38 65 Hill and he played a very excellent game all evening. Both he and 20 65 his brother John are very fast 9 85 men and form a very pressing 10 20 and fast outside combination.

29 75 Only on one or two occasions 47 75 was it necessary for Referee Bell to check up the players for misdemeanors last evening. At every match the men are showing better 20 65 form and are usually content to 21 10 go after the ball instead of the 46 60 player. However, there are still one or two who are always yell-60 75 ing out for grand stand sympathy that they are getting raw deals 36 90 from the referee. This was stop-36 90 ped last night. Some of the players too when they are checked 18 00 seem to think that no man has 12 25 the right to put another off the 12 25 field and this was the action taken 138 10 by one of them last evening. Such pigheadedness is not going to 69 60 help in building up the associa-
