WHY EXPERIMENT?

Food scientists claim that the leavener is largely responsible for the flavor, texture and wholesomeness of your home baking. That on no other one ingredient does so much depend. It is important, therefore, to use a baking powder that you know possesses the necessary leavening qualities.

MAGIC BAKING POWDER

Contains No Alum

and is the only strictly high class baking powder in Canada selling at a moderate price. Its reputation is built on purity and highest quality.

The only well known medium priced baking powder made in Canada that does not contain alum and that has all its ingredients plainly stated on the label.
