Hanson's Meeting at Stewart Was By Far Most Successful in Campaign

STEWART, July 23:-By far the best attended meeting held so far in the present political campaign RESHEWING IN SHEWING was that addressed here Sunday evening by the Liberal candidate, Fruit-a-tives' and Olof Hanson, who was assisted by Milton Gonzales of Prince Rupert and Wm. Asselstine of Premier. The original intention had been to hold the meeting on Friday night but Mr. Hanson was delayed in Alice Arm and could not get here in time. However, the Sunday night date proved satisfactory to everyone, and when the meeting opened at 9 o'clock every seat in the Opera House was taken and standing room at the back of the hall was at a premium. Advance reports had it that Mr.

Hanson was not a public speaker and would not say more than a few words, but the local electorate was given a pleasant surprise. Mr. Hanson spoke for a good 15 minutes and the quiet forcefulness of the man, his evident sincerity to see the fight to a finish now that he is in it, and his ready grasp of the political situation not only in his own riding but throughout the Dominion made a profound impression on all who heard him. There was no heckling, but, to the several quesns asked. Mr. Hanson gave conincing replies which left no doubt as to his stand on the foremost issues of the day. His answers were received by interrogator and the and sprigs of cedar. The archway rest of the audience with much hand-clapping and acclaim.

Wm. Asselstine, popular Premier mill superintendent and well-known entertainer, was at his best in opwitty sallies and interspersed them freely throughout a long and interesting explanation of why he why he considered the policies of Mackenzie King were pre-eminently better for Canada at this particular time than were those of the Conservative party.
