VANCOUVER, Dec. 26.—The quarterly dividend on preference shares of the British Columbia Packers Ltd. has been deferred, it was announced following a meeting of the board of directors. The dividend was due on January 1 next.

A statement issued by the B. C. Packers said: "This action is taken as a result of difficulties attending all businesses dealing in the basic commodities of which canned salmon is one. NEW GARNISHES AND DRESSINGS FOR SALADS

by Mary Blake

A dash of paprika, a sprinkle of nuts, bright strips of pimiento or green pepper, or slices of stuffed olives or hard cooked eggs—and, behold! a new and tempting salad.

It doesn't take much extra time to give these intriguing touches to the salad. A little green vegetable colouring added to the gelatine salad makes it delectable and decorative looking. Slices of maraschino cherries or diced pimientos are effective. Grated cheese, grated nut meats or raw carrot should garnish the Hallowe'en or Thanksgiving salad; holly made from sweet cucumber pickles for leaves and pimiento for berries, or mistletoe made of green peppers and tiny pearl onions, the Christmas salad.

The same new interest can be given by varying the dressing. Here I give you a basic recipe for mayonnaise and some of the appetizing variations which can be made from it. You will notice that one of the ingredients of my basic dressing is Carnation Milk. This is most important. Let me tell you why.

Carnation Milk contributes smoothness and richness

Doubly rich in cream, Carnation Milk contributes this richness to everything in which it is used. In addition, the cream content is broken up into finest particles by "homogenization", so that the texture of any dish in which Carnation is used is notably smooth and delicate and fine.

Domestic science experts agree that Carnation Milk gives cooking results that you cannot get with even the finest of bottled milk. Carnation Milk is simply pure, sweet, whole milk, evaporated to double richness, "homogenized" to keep the rich cream distributed all through the milk, and sterilized for safekeeping. You will find it convenient, dependable and economical for all your cooking. Send for free Cook Book. Address Carnation Co. Limited, [illegible] Abbott Street, Vancouver, B.C.

Carnation Creamy No-Egg Mayonnaise—2 tsp. sugar, ½ tsp. paprika, ½ tsp. salt, few grains pepper, ½ tsp. dry mustard, ½ cup Carnation Milk, 2½ tbsp. vinegar, 1¼-1½ cups salad oil. Mix dry ingredients with Carnation; beat in vinegar; add oil gradually, beating thoroughly. Chill. If thinner mayonnaise is desired, use less oil, then thin with undiluted Carnation before using. Keep in glass covered jar in cold place. Recipe makes 1 pint.

Thousand Island Dressing—1 cup Carnation No-Egg Mayonnaise, ¼ cup Chili sauce, 1 tsp. finely cut onion, 1 tbsp. diced pimiento, 1 tbsp. diced green pepper, 1 hard cooked egg, diced fine, 2 tbsp. chopped sweet pickle. Mix ingredients and chill.

Cucumber Dressing—1 cup Carnation No-Egg Mayonnaise, ½ cup diced cucumbers, 1½ tbsp. grated horseradish.

Cheese Dressing—1 pkg. cream cheese, 2 tbsp. chopped sweet pickle, Carnation No-Egg Mayonnaise. Mash cream cheese, stir into it enough mayonnaise to make it the desired consistency, add pickle. Chill; serve with vegetable salads.
