

ALMOST FAINTED IN THE STREET

In Daily Fear Of Death—Until
"Fruit-a-lives" Brought Relief.

CHATHAM, ONT., April 3rd, 1913.

"Some two years ago, I was a great sufferer from indigestion. One day my eye caught a billboard of 'Fruit-a-lives' and I said to myself 'if a-lives' will build me up like that, it is good enough for me'. I bought some. After taking these wonderful tablets for only three weeks, I found myself wonderfully improved. In a short time longer, I cured myself entirely. My case was no light one, either. Gas would often form in my stomach and I was in daily fear that it would get around my heart and kill me. 'Fruit-a-lives' is the only remedy for indigestion".

MORE BYLAWS PASSED AT REQUEST OF BANK

Instead of passing one bylaw covering the year's expenses, the Bank of Montreal now requires a bylaw covering each little individual loan made by the city.

One of those bylaws, for \$5,000, came before the Council Monday night, and nobody seemed to know anything about it, except that it had to be passed. The bylaw called for a rate of interest not exceeding 7 per cent.

Alderman Montgomery, seconded by Alderman Maitland, moved that it be referred to the Finance Committee.

The Mayor said this would look like holding up the bank.

Alderman Edge said they had been bylawed to death, and he did not know anything about the 7 per cent rate, instead of the usual 6 per cent.

The bylaw was passed, with the rate of interest amended to 6 per cent.

NEW HAZELTON NOTES

W. S. Sargent is spending a few days in the Bulkley Valley on mining business.

Robert Burns and a party from Telkwa drove down last Friday and spent a couple of days in New Hazelton.

Al Harris has returned to Vancouver from the Fond du Lac gold fields and expects to get to New Hazelton next week.

George Tillman has been working on a new lead on his Rocher de Boule property and has got into some high grade copper ore. He reports a five-foot vein with encouraging surface showings. George has gone back to proceed with his work.

George Stewart has struck a new bunch of ore on the Silver Bell and there is a lot of enthusiasm in his camp. Steve McNeil came down from Nine Mile Mountain on Monday and brought a sample to The Herald office, where it is on exhibition. This is some of the highest grade ore that was ever taken off Nine Mile Mountain.

John Lindquist is working on his claims on this side of Rocher de Boule Mountain. He has confidence in his property on account of surface showings.—Omineca Herald.
