"CHE'LL never raise him!" whispered the neighbors behind their hands - and indeed it looked like it, for Bahy Jim was a tiny mite and didn't thrive on his bottle. Then his Mother tried Eagle Brand, and to everyone's astonishment Baby Jim ceased fretting and began to gain steadily. Grandfather now lays claim to his wonderful disposition-but his mother smiles quietly and remembers Eagle Brand.

Eagle Brand bas reared countless thousands of infants to maturity over a period of 74 years. Experience has proved that it is a reliable, safe and an entirely satisfactory food where the mother is unable to nurse her own baby. Write for Baby Welfare and Record Book.
