Have Edge in Junior

All games were close in the basketball series played at Auditorium last night.

The senior game was a tightly contested match with the C. N. R. A. defeating the Sons of Canada,

The intermediates put up another close game in which the Merchants defeated the Tuxis 23-20. This gives the Merchants a chance to tie with the High School for second half honors.

The girls' game was better than usual. The Cardinals put up more of a fight but lost the game in the last few minutes to the Amazons.

In the junior tussle the Japanese Students outclassed the Rovers 15-11 and this gives them the edge on the second half honors of the! Junior League.
