= THE COSY CORNER =

DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

FRENCH MODEL IN FOULARD

One can tell at a glance that this model was designed by a French modiste, and it is exactly suited for a tall, slim figure. The skirt is plain blue-satin foulard and the tunic and shortwaisted bodice is same shade, dotted with small black squares. The joining of bodice and tunic is made under an upstanding frill of black satin, which is also used on bottom of tunic and around skirt at hem depth. Sleeves and round neck are finished with a band of cream lace insertion.

A FORGOTTEN AIR

'Tis the ecstasy of repose,
'Tis love when tired lids close,
'Tis the wood's long shuddering
In the embrace of the wind,
'Tis, where gray boughs are thinned
Little voices that sing.

O fresh and frail is the sound
That twitters above, around,
Like the sweet tiny sigh
That dies in the shaken grass;
Or the sound when waters pass
And the pebbles shrink and cry.

What soul is this that complains
Over the sleeping plains,
And what is it that it saith?
Is it mine, is it thine,
This lowly hymn I divine
In the warm night, low as a breath?
—Paul Verlaine (Arthur Symonds' version.)

TOO HEAVY

Simple Way of Weight Reduction

Those who are too heavy in spite of the fact that only a moderate amount of food is taken, must turn their attention to methods that will insure a more perfect oxidation. Exercise in the open air is first and best. Long walks at a fairly rapid pace, beginning with a mile and increasing to five or more each day, are within the reach of, and are safe for, almost all corpulent people. Golf, for those for whom it is a possibility is one of the most enjoyable cures imaginable, necessitating, as it does, walking, deep breathing, and mental activity, all nicely compounded with the spirit of play. Tennis might do for those young enough to enjoy its rather violent virtues. It is only practicable for those "inclined to be stout." It may be considered an excellent preventive treatment. The game is obviously impossible for the truly obese. Indoor bodily activity has

real value in these cases; anything in fact, that will tempt from idle ease is to be encouraged; hence bowling, a game full of interest, can be made to serve as a remarkably agreeable reducing agent. Any good system of physical culture followed faithfully, not as a substitute for, but in addition to, sufficient outdoor exercise, will prove valuable.

Baked Onions

Parboil Bermuda onions ten minutes. When cold remove centre and fill with mixture of bread crumbs and chopped centres, seasoning highly and adding a generous amount of butter. Sprinkle with buttered crumbs, cover and bake an hour in a pan containing a little water. Uncover and brown lightly.

HOME HINTS

Every One a Trouble Saver

For afternoon tea, toast seems to be better liked than most anything else. It is thin and cut into round or diamond-shaped pieces.

When creaming butter for cake-making try pouring it through an ordinary potato masher and see how much time and labor you can save.

If the sewing machine band is too loose drop a little castor oil in the groove of the wheel and turn the wheel very fast for a few moments.

To secure the threads in machine sewing so that they will not rip, nor need to be tied, turn the goods round and stitch backwards for half an inch.

When making cream of onion some use half a bay leaf, a bit of minced parsley and a bit of mace for seasoning. It will be found exceedingly tasty.

Use thumb tacks for fastening the ironing sheet to the board. They will hold it more firmly than pins and are more easily removed than ordinary tacks.

When you sprinkle the clothes for ironing cover the basket with a big, heavy blanket and the clothes will keep moist and not mould even in the hottest weather.

UMBRELLA TIP

You Can Wash Your Thunderstick Any Time

In case your umbrella falls into the mud and the dirt cannot be brushed off, wash it with soap and lather. First grease the inside wires to prevent them from rusting, then proceed to wash the cover, scrubbing the soil-spots with a soft brush. Next rinse it with cold water, inside and out, and hang in the sun to dry. It is best to keep the umbrella open all the time, and it will look like new when the washing is completed.

ITEMS OF SPORT

Frank Parks, five times heavy-weight champion of England, was beaten the other day by W. Shengler of New York, the metropolitan champion in this class.

Davidson has made three home runs in three consecutive days. Bues has not made one in the same length of time, but he has delivered hits that were much harder and would have carried farther in a large park.

Speaking of hitters, do not overlook that fellow Goodman, who is playing third for Victoria. He has corralled seven in the last three games, and all of them have sounded good. He handles the bat well, meeting the ball squarely on the seam.

Chicago, Detroit and St. Louis are the leading bidders for Third Baseman Arthur Bues. Manager Tighe has not decided which team will get the prize, but the deal will probably be closed within a week or so. Big money is usually paid for pitchers, but Bues is worth a big chunk of dough to any major league club that is not well fortified at third.

Joe Custer of Brooklyn has just administered a severe beating to Frankie Conley of Kenosha, Wis., in a 20-round bout at New Orleans. Three judges were unanimous in awarding the Brooklyn boy the honors and he is now slated to meet Abe Attell for the feather-weight championship. Conley was a favorite with the crowd. Both boys appeared in excellent condition. They weighed 122 pounds.

The name of the new umpire who has been signed to take the place of Ralph Terry is Nagel and he hails from Montana.

Umpire Baumgarten is not so bad. He is at all events an awful relief after what has been heard of these Northwestern League umpires.

Fred Luderus, the former Maroon star who has been playing in such form for the Philadelphia Nationals this season, is tenth in the batting averages, of the league with the splendid figures of .317.

The Winnipeg North End Amateur Athletic club created a wonderful record in the Victoria Day sports, capturing nearly everything in sight. The club was organized in November, 1907, and since that time has been steadily growing into what promises to be one of the strongest athletic combinations on the continent.

According to unofficial batting averages of the Western Canada Baseball league Eddie Taylor of the Maroons is leading the league with an average of .410. Donovan is fourth with .276, while the name of Van Dine, the heavy hitter of the team, is not mentioned at all.

Gold Shades

The combination of gold shades with black and white is one of the spring productions and is distinctly handsome. Despite protest, black and white are still in favor, although in many cases dull silver and gold is used, added for the sake of novelty.

Uncle Jerry's Trip

In his fine launch Ka Yex Mr. J. H. Kugler has been having a trip to the head of Tuck's Inlet where he spent a couple of days. Fishing was good there, and Uncle Jerry landed lots of flounders.
