Railway Pictures Are Interesting To Gyro Members

Canadian National moving pictures depicting Quebec City and environs and the Triangle Tour between Vancouver, Prince Rupert and Jasper Park were shown by William Cruickshank at the regular weekly luncheon of the Prince Rupert Gyro Club yesterday proving of much interest.

A request from the High School area has not yet been set. pupils for assistance in connection with the erection of a new tennis court was referred to the executive.

Arrangements were made to have William Cruickshank and Sam Jabour carry on secretarial work for the summer relieving J. Ellis Morris, the secretary, temporarily.

MAYOR WOULD INVESTIGATE You Will Find It a Profitable Habit

Editor, Daily News:-

Tuesday I was approached by private citizen who solicited money, food, clothing or anything else useful for the destitute. He stated that he knew families and children in the city who were actually hungry, but when pressed to name them he declined to do so. I insisted that as mayor I was entitled to know who they were so that they could be investigated and offered to go with him to investigate myself, but he declared he would not tell anyone who they were. Between the City Hall and the

Government Agent's office there is 7 for around fifteen thousand dollars a month being spent in relief. We Out of town orders receive prompt have several well known welfare or- attention. Order from Prince Rupert ganizations, working more or less in preference to the south. Your together, who have a system of ac- freight charges are less from Rupert counting for moneys entrusted to than from elsewhere. Satisfaction them. With these it does seem strange that private parties should be soliciting for people whose names they will not disclose to the mayor. People can do themselves and the needy a better service today by assisting in ridding the relief rolls of imposters. The needy are being taken care of when information is given in the proper places.

M. M. STEPHENS, Mayor.

The successful winter feeding demonstration conducted by W. H. R. Low of Telkwa a year ago has re-sulted in a number of the Central Old Time Dance Interior stockmen grain feeding their stock during the winter months. This program of handling beef stock tends to provide a profitable market for the rough feeds, op price for their animals and a minimum of shrink in shipping. It also tends to maintain an orderly system of marketing by distributing shipments of good beef to consuming centres throughout the year.

This portion of British Columbia lends itself readily to a system of The Naskeena, the official boat mixed farming and the production fully on the well managed farm, and

evening was held in honor of the Rev. Victor Sansum of the United Your Headquarters Church who is leaving this charge. He was tendered a purse and an address on behalf of the entire community of Port Simpson.

Mr. Sansum, who has been here three years, replied in a very fitting manner. While in Port Simpson he had

made many close friends who wish him well in his new fields. Among those who took part in

the evening's entertainment was Rev. Mr. Jennings of the Anglican Mission boat Florthern Cross who also is leaving this district for an eastern charge. The evening was in the nature

of a dual tendering of good-byes to the two missionaries.

Ambrose Reid arrived in he city on'the Catala yesterday afternoon from Port Simpson for a business trip to town.
