DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

SMART AFTERNOON GOWN

Above sketch from an imported model, possesses possibilities for the girl with a small, limited income. Bodice and upper part of skirt are twine colored chiffon voile and the deep band of lace (which is heavy linen thread) matches in color. The whole gown is made over emerald green satin as are the short sleeves, the latter finished with three tiny accordion plaited ruffles of chiffon in same color as voile. A narrow band of stain tops the bodice where it joins the gathered yoke of chiffon.

HANDY HOME HELPS

Embroidery, Rug Hint, and Cleaning

Protect embroideries that come to the bottom of the skirt by placing a scant ruffle of lace back of the scallops. The lace should extend a half-inch below the scallops. This adds to the appearance of a lingerie frock.

The way to handle large rugs is to have a pole heavier than a clothes-prop. Preferably the pole should be round, but will answer if the edges are rounded off to make it octagonal. Roll the rug on this, and it can then be lifted and carried easily.

Lukewarm water and fine soap will remove fats from fast-colored woollens, while tar and wagon grease will yield to lard rubbed on, then soaped and allowed to lie for an hour or so. Afterward wash alternately in water and spirits of turpentine.

Some Beautiful Dresses

The visit of May Roberts who commences her engagement in "The Thief" at the Empress Theatre tomorrow night, will have a special interest for the ladies of Prince Rupert, owing to the superb wardrobe which Miss Roberts possesses. It is all of purely Parisian production, having been specially designed and made for Miss Roberts' present tour by Parisian modistes during her recent visit to the French capital.

GREW BAKED APPLES

This is the Champion Hot Weather Story from Toronto

The Toronto Star is responsible for the following:
"Baked apples, cooked by Old Sol in his last record-breaking stunt, were brought to The Star office this morning by Mr. George Goynne of 19 Wayland avenue, East Toronto.

"Mr. Goynne states that the apples, over a dozen of them, were half-cooked on the tree, as they appeared actually half-browned as if they had been in an oven, and did not fall off the tree, but were plucked by him last evening.
"They were all right last Sunday," said Mr. Goynne. "The same thing happened to currants and gooseberries. They were literally cooked on the bushes where exposed to the sun."

IN THE LAUNDRY

Exactly what will Help the Busy Housewife Best

A safe bleaching agent for cuffs and collars, handkerchiefs, etc., is pure borax. Dissolve a spoonful of the borax in boiling water, and strain through muslin into the water in which the articles are to be washed.

Dark blue cotton dresses should have the final rinsing in water that has a good deal of clothes bluing in it, enough to make the water a deep blue. This will also help to keep black satens from turning brown. For light blues, a smaller amount of bluing is used in the rinsing water.

Blouses, corset covers, and under wear that have become stained by perspiration should be soaked for from thirty minutes to an hour in warm water to which ammonia is added, before being washed. If the stains have not disappeared, rub the places over with lemon juice, then rinse thoroughly in cold water.

Fruit and other stains should always be removed before the linen is washed, as many of them would be fixed indelibly by the action of the alkali in the hot suds.

Fruit Hash

Cut cherries, peaches, pineapple, pears and any fruit desired into small pieces. Add a quarter of a pound of blanched almonds and pour over this a gelatine made with the juice of lemons and raspberry gelatine. Set it aside to chill. Serve with devil food cake.

Clarence Brooks, ex-Beaver back stop, at present working with the Butte club of the Union Association, states that the fans are going crazy over the ball served by the Lucas leaguers and that the circuit will be a huge success this season. He states that the 50-cent gates are proving big money-makers.

E. MacDonald, manager of Matt Wells, English lightweight champion, received a cablegram the other day from the London Sporting Life, offering a purse of \$20,000 for a fight between Wells and Packey McFarland of Chicago, in December. Sporting Life is probably acting for some London boxing club.

Eddie Householder is now a member of the Seattle club. He signed and took his place in left field. He signaled his initial appearance with the Giants by batting 1,000, walking three times and hitting safely twice.

Ad Wolgast, lightweight champion of the world, and Freddie Welsh, challenger, will meet in a 20-round fight for the title at Los Angeles Thanksgiving Day, November 30. The terms accepted by the fighters from Promoter T. J. McCarey call for an unpublished amount for Wolgast, said to be \$15,000, and \$5,000 for Welsh. In addition Wolgast will get 51 per cent of the receipts from the moving pictures and Welsh 49. There will be no side bet. The weight will be 130 ringside. The fight to be refereed by either Jack Welsh or Eddie Smith.

The following are the Canadian riflemen unattached to the official Canadian team who attended and shot in the open events at Bisley: Major Hart-McHarg, Lieutenant Colonel J. Duff Stuart, Color Sergeant Hunter, Private Warden of Vancouver, Captain Wolfenden Armstrong, British Columbia; Captain Dover, Truro, N. S.; Staff Sergeant Richardson, Victoria, B. C.; Sergeant White and Sergeant Cliff, Toronto; Lieutenant A. Blackburn and Lieutenant Forbes A. Clarke of Winnipeg, and Sergeant Peter Armstrong.

After a fleeting stay in Edmonton, Frank Patrick hit the pike to the coast again to do some work there on the big hockey league which he is supposed to be organizing. While there, he says he made arrangements for the erection of a large rink, in which the games will be played, and which will accommodate thousands of people. It will be built along the same lines as the rink in Victoria, except that it will not have an artificial ice plant. The Victoria rink will cost about \$100,000. The total cost of the Edmonton plant will be about \$50,000.

Tom Longboat and Billy Queal, the two leading long distance "pro" runners, have done their best to try and get Clarence De Mar, the B. A. A. Marathon winner, to meet them in a special race but the North Dorchester champion says "nothing doing," till after the Swedish Olympic games. De Mar has the right idea at that, but there are not a few who contend that both Longboat and Queal are too much for the British Columbian in any distance, from the modified Marathon to the full Marathon route.
