GOOD PRINTING

Is a Persistent "Influence" Exerted
in Your Behalf!

Every bit of printing that goes out to serve you makes "Some Kind of an Impression." Poor printing will leave a poor impression of its user as surely as would poor clothes, or poor store or shop or office. "Good" printing will leave upon every mind an impression wholly favorable of its user. Even if but one in a thousand of these "Impressions" really tips the scales for business, for orders, for you "Good Printing" will have thus paid for itself!

= THE COSY CORNER =
DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

PHILANTHROPIC FAD

But It Means Much for the Babies

There are fads in philanthropy, just as in everything else where the fashionable woman is concerned. Last year and the year before it was woman suffrage, but this season it seems to be babies. In New York city a coterie of the exclusive society women have banded together to help the mothers of the poor save their babies' lives during the summer.

Milk stations have been established, and the \$300,000 which these rich women have collected will be devoted to the work. Mrs. J. Borden Harriman, who has been identified with many of the philanthropic movements of the smart set, is at the head of this project. Over sixty depots are to be opened where milk will be distributed to the poor and whence doctors and nurses will be sent to instruct tenement mothers how to bring up their children. The secretary of the milk committee, Mrs. Ida White Parker, said:

"Women of foreign lands in New York do not understand caring for children here under totally different climatic conditions.

"Out of 125,000 babies born in New York city annually 16,000 die under one year of age. Of these more than 8,000 waste away for lack of proper food and care. During a two weeks' heated period last summer 1,005 babies died. It has been proved that this waste of life could be much reduced if mothers were taught how to feed and care for babies and if pure and properly prepared milk were supplied at prices which they could afford to pay."

FASHION'S FANCIES

Very few feather wraps or scarfs are now worn in the evening. They are replaced by voluminous scarfs of painted gauze or mousseline, or, if the night is fresh, by lovely ermine stoles, with no black tails in them.

In neckwear the prominent French novelties are fichus in Marie Antoinette and Charlotte Corday styles and the one-sided effects in jabots. These jabots are noted as the finishing touches on the costumes of the most smartly dressed women.

White Gloves Needed

No cases in the police court yesterday but our generous city council has not yet seen fit to mark such auspicious occasions by the presentation of white gloves to the Magistrate.

"Bull" Durham, the pitcher who went to the Giants with "Rube" Marquard and was later with Toronto, has been let out as manager of Charleston of the South Atlantic circuit. The Sally Leaguers could not afford to pay him his price.

Hans Wagner, Pittsburgh's great batter, will be off the diamond for at least three weeks because of the injury to his right ankle, according to a statement by Manager Clarke of the Pirates.

BE CONTENT

O heart of mine, we shouldn't Worry so!

What we've missed of calm we couldn't

Have, you know!

What we've met of stormy pain, And of sorrow's driving rain,

We can better meet again, If it blow.

We have erred in that dark hour

We have known,

When the tears fell with the shower,

All alone—

Were not shine and shower blent As the gracious Master meant?

Let us temper our content With His own.

For, we know, not every morrow Can be sad;

So, forgetting all the sorrow We have had,

Let us fold away our fears, And put by our foolish tears,

And through all the coming years Just be glad!

—James Withcomb Riley

Princess an Author

Her Highness the Maharani of Baroda has, with the co-operation of a well known literary man, written a book under the title of "The Position of Women in Indian Life." The Maharani is one of the advanced women of India and has travelled extensively. Her Highness, with the Gwaikar of Baroda, was with their daughters and a large suite in Toronto last summer, going on to Quebec by boat. The ladies attracted much attention by their beauty and grace of manner, and were greatly admired by all who had the privilege of meeting them.

Sweetbread Salad

Prepare sweetbreads by simmering twenty minutes with seasonings and when cold cut into small pieces. Have half the amount of cucumbers cut in the same way and mix all with a mayonnaise which has been reduced with half its bulk of whipped cream. When thoroughly blended heap lightly into nests of tender lettuce leaves, fleck lightly with paprika, and serve with crisp cheese wafers.

Long Lumber Lift

By an ingenious arrangement of wire rope hauls and lifts the heavy lumber for snow sheds which is being unloaded from the barque Carondelet is being transferred right on to the cars across the whole breadth of the G. T. P. wharf.

For row boats and launches telephone 320 green. Davis' Boat House.
