

MR. BORDEN PICKS CABINET

(Continued from Page One)

opposition should not be forgotten in the victory even though it was made possible by the assistance of certain Liberals. It is probable nevertheless, that White will get the portfolio.

WHO THE MEMBERS ARE

The Borden Cabinet is conspicuous for the large amount of new blood drawn from the Provincial Conservative parties, that will enter into it. In this New Brunswick, Quebec, Ontario, and Manitoba are all tapped.

Hon. Mr. Hazen

Hon. J. D. Hazen has spent practically all his political life in New Brunswick, having been leader of the Conservative party there since 1899. He became Premier of New Brunswick at the general election of 1908. He is a barrister by profession and in his 51st year.

Hon. Mr. Pelletier

Like Mr. Hazen, Mr. Pelletier is in his 51st year of age—in his virtual prime. He is a physician by profession, and served at one time on the Quebec Board of Health. For several years he was chief physician to the Order of Catholic Foresters of Quebec. He has been in the Quebec Legislature continuously since 1900 and has been Speaker of the House since 1909.

Hon. Frank Cochrane

Hon. Frank Cochrane made his mark as Minister of Forests and Mines in Ontario in Sir James Whitney's Cabinet. He has a reputation for versatility, which he came by honestly, being born in Quebec of a Scotch father and an Irish mother nearly sixty years ago. He is a Methodist in religion, and lived for many years at Sudbury in Northern Ontario. He has been a Cabinet Minister since the first day he entered political life on May 30th, 1905.

W. T. White

Mr. W. T. White is fated to have a similar distinction to Mr. Cochrane being appointed a Cabinet Minister in advance of entering Parliament. Mr. White has had a meteoric career. For a couple of years he served as a reporter on the Toronto Evening Telegram, but did not greatly distinguish himself in newspaper work. Entering a financial concern made rapid progress, and some year ago became general manager of the Toronto General Trusts corporation. He is looked on as a strong and capable man in financial circles, and is still in his early forties. He is probably slated for the Finance portfolio.

Hon. Robert Rogers

Hon. Robert Rogers, Manitoba's Minister of Public Works has been the Bowser of the Roblin Government. He is still three years from touching the fifty mark, and has achieved a reputation as a political organizer. Like several of his confreres he was born in Quebec. Since 1899 he has been a member of the Manitoba Legislature, and has held the portfolio of Public Works in his province since 1900.

Andrew Broder

The selection of Andrew Broder means that he will be Canada's next Minister of Agriculture. He is a farmer by occupation, born in Quebec of Irish parentage sixty-six years ago. He has been a representative of Dundas for twenty-six years—eleven years in the Legislature and fifteen years in the House of Commons.

Hon. George E. Foster

Hon. George E. Foster has an experience that no statesman in Canada can boast save only Hon. John J. Haggart, namely, that of having served under five different Premiers. Mr. Foster entered Sir John Macdonald's Ministry on May 29, 1888, and Mr. Haggart on August 3, 1888, and they were members of the four succeeding Conservative Administrations, one of which contained the "Nest of Traitors," that included in its membership the two gentlemen named. Mr. Foster, now in his sixty-fourth year, is still the keenest financial critic, if not the ablest platform speaker, in the Conservative ranks.

ITALY EMBARKING HER ARMY

asking for passports that will permit them to leave the country. Yesterday 600 left the city and today the consulate still had 6000 applications with which to deal. Those retaining are subjected to heavy taxes. The Turkish cable to Tripoli has been cut and the officials are ignorant of what is going on there. All the officials and officers have been ordered to return to their posts.

Want to Fight Turks

Rome, Oct. 9.—The Italian Government has declined the offers of Albanians, Cretans, Servians, Montenegrins, Bulgarians and Greeks to go as volunteers to Tripoli to fight the Turks.

Wireless messages received here today from the Italian fleet off Tripoli state that the city is practically deserted outside the Turkish garrison. The only Italians remaining are the Apostolic delegate and a few Franciscan monks.

Arabs Well Armed

The natives have retired to the interior, transporting with caravans of camels 6000 old Mauser rifles received from the Turkish military and 12,000 Mausers which were landed by the Turkish transport Derma. The plan adopted evidently is to arm the Arab tribes of the interior for a guerilla warfare against the Italians.

Charged with Check Frauds

Philip T. Nicholas, an Italian, has been arrested on a charge of passing what are locally termed "bum checks." He was apprehended by Constable Merritt as he was skipping out of town via the G. T. P. His case comes up tomorrow.

On Their Honeymoon

Mr. and Mrs. J. E. Unwin were passengers for Vancouver by the Prince George today on their honeymoon trip to Vancouver, Victoria and Seattle.

C. C. Van Arsdol was a passenger for Vancouver by the Prince George this morning.

R. C. Bean went south by the George today.

BEAT RAINBOW RIFLES

Citizens' Civilian Association Made Better Marksmanship Than the Navy.

Rainbow riflemen were beaten at the ranges by the Citizens' Rifle Association of Prince Rupert. The Rainbow men scored a total of 515 points, and the Citizens 629. The greatest good spirit was manifested all through the match, and at its conclusion. The Rainbow boys are more popular than ever as a result, with the citizens for as losers they showed their mettle to advantage. Shooting all over was good. The 200 yd range had been washed away by a high tide, but on the 500 and 600 yard ranges good conditions prevailed.

Sergeant Brown of E. G. O. R., assisted at the butts, and there were four markers, two from the Rainbow and two civilians. Lieut. Phillimore is coach and captain of the Rainbow team, and Captain Cameron captain of the Citizens while Captain Partington is coach. Following is the scoring record:

"RAINBOW" RECEPTION

Saturday Night's Dance in Honor of the Cruiser's Visit Was a Merry Function.

Commander Hose and the officers of H. M. C. S. Rainbow were entertained at a reception and dance by the Mayor and City of Prince Rupert on Saturday night. The handsome premises of the Keien Island Club with the club's spacious gymnasium were placed at the disposal of the city for the evening, and the dance was a bright success. An assembly of citizens and ladies of Prince Rupert met the officers of the cruiser and Mrs. Manson who presided over the reception which lasted from 8.30 until 9.30. Dancing was then engaged in led off by an elaborately planned Grand March headed by Commander Hose, the Mayor and Mrs. Manson, and the officers of the Rainbow with their partners. Gray's orchestra provided the music most acceptably.

PREACHED AGAINST WAR

Rev. F. W. Kerr Takes Canadian Navy for His Text Last Night.

Preaching last night on the text "The Coming of the Rainbow" Rev. F. W. Kerr criticised the maintenance of navies and armaments by nations. He held, however, that the existence of war was for the civilising of peoples and was a God permitted feature of the world's life. The pastor in passing condemned the interest taken in boxing contests, and prizefights, and scored the press for catering to the public interest in such exhibitions.

BERESFORD GOES HOME

International Clash Makes the British Admiral Decide to Hasten to England.

Vancouver, Oct. 9.—Lord Charles Beresford, owing to the political situation created by the declaration of hostilities between Italy and Turkey, and the possibility of a European clash, has decided to shorten his stay in Canada. Instead of leaving November 3, as originally planned, he decided today to book passage on the steamer sailing from Quebec on October 20. He expects to take a share in the debate in the House of Commons on naval matters.
