

FREE TRIP ROUND THE WORLD

We have just arranged with one of our clients to place forty-two lots on the market under exceptional advantages to the purchasers. The lots are some of the best in Sections 7 and 8. The prices are as low as any on the market, and the terms so easy—monthly—that anyone can buy. Along with this exceptional offer, each lot admits the purchaser to a drawing for a FREE TRIP ROUND THE WORLD. If you hold the lucky ticket the trip is yours; or you can surrender it for a cash consideration. The chances are good—one in forty-two. Come in and investigate.

Do these names mean anything to you? Do you understand their towering significance in the field of literature and art? Have you ever in all your life seen so many names of such eminence grouped together as contributors to one magazine? Such a group would make it a publication beyond price, and that is exactly what we are calling your attention to at this moment. A magazine whose staff of contributors for 1912 contains all these names. The product of either of the above writers is easily worth the subscription price of \$1.50.

Cosmopolitan has endeavored in the past to give its readers four-fold in return for the subscription price. This policy has increased its circulation until it has outstripped every other American magazine, making it necessary to publish 800,000 copies of the Christmas number. It is our earnest desire to extend immediately the circulation past the million mark, with this end in view we will, until December 10th, accept subscriptions to Canada at the rate of \$1.50.

CITY TEST CASE

Kelly v. City Comes Up Before Supreme Court Tomorrow.

A case of importance to the citizens comes up before the Supreme Court tomorrow. It is the case of Kelly, the contractor, versus the city over the contract payments withheld on account of alleged delay. The case of Watson v. City follows. It is probable that both these cases will be tried in the police court room.

J. G. McKinnon has applied to the Council for the post of stationery engineer to the city.
