

MADE A SPEED TEST

Fire Brigade Turned Out to Imaginary Fire at Carpenter Mall.

Rumors that the Union Carpenters' hall was on fire were current in town this afternoon in consequence of the "red devil" being seen charging in that direction and water being played on the roof. It turned out, however, to be merely a test run to a fire as part of the Fire Committee's investigation. The run was made in quick time.

Admiral Schley's Own Story

A man died the other day, and with his death passed America's most popular naval hero—popular because championed by the people, though officially denied the full fruits of his long and brilliant service. This man was Admiral Schley, hero of Santiago, one of the great sea-fighters of history. Shortly before his death Admiral Schley completed for Cosmopolitan a series of articles giving his personal recollections of his forty-five years in the navy. He was not anxious to do this for there was at least one old story that an autobiography must reopen. But we urged upon him the fact that nearly four million readers would see each instalment of his story, and most of these readers believed, with Admiral Dewey, that the men who stood on the deck of the Brooklyn that July Sunday in '98 was entitled to the glory of that great victory. So he consented. Not in the cut and dried way, but unlocking his secret soul as he had never done before. The first instalment of the autobiography, the life story of a man worth while in the nation's history, appears in the Christmas number. Subscription to Cosmopolitan will be accepted until December 10th at the special low rate to Canada of \$1.50. Cosmopolitan Agency, Box 851 Winnipeg.

The deputation of Second Avenue ratepayers that waited on the Mayor yesterday received assurances that steps will at once be taken to put the street in order. The deputation was especially aggrieved that after agreeing to pay for four years for a bridge from First to Second Avenues that the bridge had been torn down and the roadway not put in order.
