BUILDING NEW REGISTRY OFFICE

Men at Work This Morning
Cleaning Site—Only a Temporary Shack Will Be Erected Meantime.

Preparations are being made this morning for the erection of temporary offices for the Land Registry department. A gang of men started to clear up the charred embers and stake out the foundations of the new premises, which will be as inexpensive and temporary as will serve the needs of the officials until a new and substantial permanent building can be erected.

It is believed that this will commence in spring, but whether the site will be the same as that now occupied by the permanent buildings or not is not settled yet.
