Miss Davies Gives Report On Recent Ontario Meeting

The members of St. Andrew's Senior Woman's Auxiliary and their friends spent an enjoyable time on Monday evening when Miss R. M. Davies O.B.E. gave an account of her recent visit to the Dominion annual convention at St. Thomas, Ontario.

Very Rev. J. B. Gibson was in the chair and the meeting opened with the member's hymn and prayer. This was followed by a delightful musical program arranged by Mrs. C. E. Cullen and consisted of piano solos by Mrs. J. C. Gilker and Mrs. H. Johnson and two vocal solos by Miss Hodgson.

Miss Davies, in opening her remarks, said that, as she was sent as a delegate, she felt that the members were entitled to have an account of what happened. Then in a vivid and entertaining manner carried her listeners along the journey to St. Thomas, mentioning meeting Miss E. G. Lenox at Toronto. Accounts of the various meetings were most interesting, also the reports from all the Dominion officers. At the close of the address, Mrs. C. V. Evitt, President of St. Andrew's Woman's Auxiliary, warmly thanked Miss Davies for her inspiring address, which all had enjoyed, also the artists for helping with the program.

Refreshments were served and a social hour followed.

Jack Lautens of the Canadian National Railways city ticket office returned to the city on the Prince George this morning from a holiday trip to Vancouver and Victoria. Mrs. Lautens will return later.

The British Columbia Gazette announces the appointment of Frederick Richard Mark of Ocean Falls as a provincial elctions commissioner. Alfred William Sharp of Dawson Creek is appointed a justice of the peace.

CLEARS STUFFY HEAD

Helps Prevent the Development of Colds, too

NOW, it's easy to relieve head cold discomfort. Just put a few drops of Vicks Va-tro-nol up each nostril and *feel* the tingle as Va-tro-nol's stimulating medication reduces the swollen membranes, clears away the clogging mucus, helps to keep the sinuses from being blocked by the cold—lets you *breathe* again.

NEXT TIME, don't wait until your head is all stuffed up. At the first warning sneeze or sniffle, use Va-tro-nol at once—it helps to *prevent* many colds from developing.

Va-tro-nol is *specialized* medication—expressly designed for the nose and upper throat where most colds start. Used in time, it stimulates Nature's own defenses to fight off many a cold, or to throw off head colds in their early stages.

"I never dreamed electric cooking could be so FAST"

Many women think of electric cooking as slow, yet a modern electric oven heats to baking heat in a very few minutes. And, what's more, electricity KEEPS the oven at exactly the temperature you want for as long as you want it. Take bread-making, for instance . . . many recipes say to bake bread for 15 minutes at 425°, then 45 minutes at 375°. An automatic electric range can do that for you. All you need to do is put your pans of dough in the oven, set the controls and forget you are baking! Your electric range NEVER forgets. And that's only one advantage of electric cooking. A very important feature is economy . . . by actual test you can cook with electricity for less than half-a-cent per meal per person. Let us tell you more about electric cooking.

You actually turn time into money when you bake at home with an ELECTRIC RANGE — we can install one in your kitchen NOW on easy terms.

and it's—
- SAFE
- COOL
- CLEAN
- CONVENIENT
- TIME SAVING
- DEPENDABLE and MODERN

Electric Cooking is FAST and ECONOMICAL
