C. P. R.'S TWENTY MILLIONS
READY TO RIVAL THE G. T. P.

VICE PRESIDENT BURY OF THE PIONEER TRANSCONTINENTAL HAS SCHEME FOR C. P. R. DEVELOPMENT IN THE WEST, ESPECIALLY AT VANCOUVER AND ON VANCOUVER ISLAND.

(Special to Daily News.)
Winnipeg, Jan. 27.—Vice President Bury of the C. P. R. has returned from the east with millions for development in the west.

"I stated in Montreal," he says, "that the appropriations for 1912 were in excess of twenty millions, and that is all I am able to say at the present time. We will have more money this year than we will be able to spend, and we will have a very busy year."

In addition to the work of building a lot of new lines, betterments will be made on the system from Fort Williams to Van-

couver. Additional tracks are being laid at every terminal and other facilities provided. Special important work will be done at Fort Williams and Vancouver. At the head of the lake new docks will be built for handling steel.

Mr. Bury stated that the yard capacity at Vancouver would be practically doubled. Regarding the larger scheme for a new station at Vancouver, he said that the plans were not yet completed, but would shortly be announced. Extensions are to be made to the C. P. R. hotels at Vancouver and Victoria. Large terminals will be constructed at Coquitlam.

ANNUAL MEETING
OF HOSPITAL

(Continued from Page 1.)

Scott, E. V. Bennett, Cyril H. Orme, E. L. Fisher and O. H. Nelson.

There were seven names placed in nomination, namely, Messrs. Stewart, Bennett, Thompson, Kirkpatrick, Nelson, McRae and Scott, the first five being elected and all making speeches expressive of their deep interest in the work and their pleasure of being again returned to office. All with the exception of ex-Alderman Kirkpatrick, who is on a trip to the outside. He was not a member of the last board, but was the first president the hospital ever had, and warm praise was tendered to him in that connection.

Special appreciation for their hearty co-operation during the past year, as by their aid a great saving had been effected in hospital expenses, and when a hospital is in its infancy these are the things that count.

The auditor's report showed that on revenue account there had been for the year an excess of revenue over expenditure of \$3,552.12. There had been a very considerable sum raised during the year devoted to capital account. The balance sheet showed an excess of assets over liabilities of \$47,222.82.

The hospital has been taxed to its utmost capacity for some time back, and in several instances it has been found impossible to accommodate all who asked admission. It is the intention of the board to build a new wing to cost approximately \$20,000. To enable the board to carry out the work it will be necessary to gain Government assistance to the amount of \$10,000.

The number of patients treated since the formal opening of the hospital on February 24th last was:

Male 282
Female 96

Discharged, cured or relieved:

Male 250
Female 90—340

Deaths:

Male 10
Female 2—12—352

Remaining in hospital December 31:

Male 22
Female 4—26

THE PAY ROLL PROBLEM

Explanation of Minor Point Regarding Accuracy of Record.

In Thursday's issue in the report of Council proceedings, at which Alderman Morrissey withdrew his assertion that 100 men were unaccounted for on the city pay roll, there appeared mention of a trifling misapprehension on the Council's part regarding an item in the pay roll as read by City Clerk Woods.

In this it was stated that there was a minor inaccuracy in the pay sheet which the City Clerk excused on account of lack of time. The sum of "181 instead of 81" was mentioned. This should read "181 hours" not "dollars," and in any case the supposed 181 was not an error of the City Clerk's, as the report might imply, but a mishearing of the figures read. Some of the Councilors thought that Mr. Woods read "181," the records show "81," and the discrepancy over which the point was raised is a matter of only six hours of work credited to an employee which can be accounted for. City Clerk Woods is naturally included in the assurance by Alderman Morrissey and the Council that no blame whatever attaches to city officials responsible for the pay roll.

HYDRO-ELECTRIC PROBLEM
Petition Affecting System of Work is Largely Signed.

The petition to impress on the City Council the necessity of in terms of the Hydro-Electric bylaw, that the work is to be done abiding strictly to the terms of by contract, station gang and day the agreement with the citizens labor, as will best suit the economical and efficient carrying out of the work, is being very largely signed by the business men. There is marked opposition from the I. W. W. secretary, A. O. Morse, who, of course, favors day labor entirely.

On February 15th in the Empress Theatre at 8:30 p. m., we will hold the first of a series of monthly auction sales of Prince Rupert real estate. We will hold these sales in the evening in order that everyone may be able to attend, and it is safe to say that all the prospective buyers in town will be there. So your proxy, if listed with us for this sale, will be offered to practically every possible buyer. If there is a man in town who wants your particular lot he will have a chance to offer. He will also have the opportunity to see what the other fellow thinks it is worth, which often helps a man to a true realization of value. In other words, it offers the best possible opportunity for buyer and seller to get together. On February 15th we will be offering a list of property to be offered, so that buyers may have opportunity to look it over before the sale. Better come in today and talk the matter over with us.
