THE SALVATION ARMY DENIAL EFFORT

May 1st to 11th

Building a better world; darkened homes again radiating happiness; wrong doers reformed; the abject, the outcast raised from the gloom which engulfs them. Hundreds of thousands of voluntary Salvationists are building a better world for you and yours.

The Army most earnestly appeals for your support to the Self Denial Appeal. Its work at home and throughout the Empire depends upon the success of this effort. It depends on you. GIVE LIBERALLY

Stewart Broker Speaks Optimistically of Porter Idaho Which He Says Will Soon Pay

"On the Porter Idaho, a property in which I am interested, we are more than pleased with the showling that has been developed," declared Walter Blanton of Stewart in a recent interview. "The big tramway is now working fine and, while it has cost, together with some development work, around \$600,000, the ore is in sight right there to pay for it. Development work on the Porter Idaho is now in such a shape that we can start Boat Chartered shipping any day now. Indians and others who have recently come into town from Bowser and Meziaden Lakes report that snow in the Bear River Valley still very heavy and the outlook for an early resumption of mining activities there this season is not very favorable. In town the roads and sidewalks are now all clear of snow.

ALICE ARM

Tom Kennedy, well known big game hunter, is back in Alice Arm after having spent the winter trapping up the Kitsault River. His take included four wolverines.

Development work at the Tidewater Molybdenum mine is being vigorously pushed ahead by the Dalhousie Mining Co. which recently took over the property. A new dock is being constructed and a cross-cut tunnel which will give an additional depth of 100 feet on all ore bodies is under way. The idea is to push development in order to block out sufficient ore for a concentrating mill.
