The Tortures of Dyspepsia  
Corrected by "Fruit-a-lives"

ST. MARTIN'S, N.B.  
"For two years, I suffered tortures from *Severe Dyspepsia*. I had constant pains after eating; pains in the sides and back; and a bitter stuff often came up my mouth.  
I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

## SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.  
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.  
Partnership pre-emption abolished.  
Parties of not more than four may apply for adjacent pre-emptions, with improvements, but each making necessary improvements on respective claims.  
Pre-emptors must occupy claims for one year and make improvements to the value of \$100 per acre, including clearing of at least 5 acres, before receiving Crown Grant.  
Pre-emptor in occupation not less than 1 year, and has made improvements, he may, because of health or other cause, be granted immediate certificate of improvement and transfer his claim.  
Records without permanent residence improvements to extent of \$500 per acre and records name each year. Failure to make improvements or record will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$100 per acre, including 5 acres cleared, cultivated, and residence of at least 2 years.  
Pre-emptor holding Crown Grant may surrender another pre-emption, if he surrenders land in conjunction with his pre-emption, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.  
Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and industrial purposes.  
Leases exceeding 640 acres may be leased by one person or company.

**PRE-EMPTORS' FREE GRANTS ACT.**  
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for a grant under this Act is extended from one year from the death of such person, formerly, until one year after the expiration of the present war. This privilege is also made retroactive.

**OWNSITE PROPERTY ALLOTMENT ACT.**  
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of a proportion of the land, if divisible, and the payments already made will be in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The title of persons to whom the purchase from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the allotment of a proportionate allotment is final. The time for making application for these allotments is limited to the 31st day of May, 1919. Any application made after this date will not be considered. These allotments apply to Crown lands and lands of the Crown sold at public auction.  
For information apply to any Provincial Government Agent or to  
G. R. NADEN,  
Deputy Minister of Lands,  
Victoria, B. C.

## CURRENT PRICES AT LOCAL STORES

Good King Apples on Sale and  
Pumpkins for Hallow E'en  
Celebration.

In preparation for Hallow E'en there are plenty of pumpkins in town and they are selling at 8c. a pound. A new shipment of king apples arrived recently and these are going at from ten to twelve and a half cents a pound. Butter and eggs remain at about the same price.

The Cowichan eggs are the highest priced on the market, retailing at 90c. a dozen. They are sent out by the Cowichan Creamery Association and each egg is stamped with the date on which it was laid and the name of the poultryman. They are all guaranteed fresh. The Association is a co-operative one and has been in existence for many years. Through it the farmers buy and sell a good deal of their produce, but they do not retail.

Pears and prunes are pretty well off the market, pears and apples with a few peaches being the prevailing fruit. The following are current quotations:

## When will it end?

Thousands upon thousands,  
endless thousands, hold their  
lives cheap as the price of  
Victorious Peace.

And we—as we watch from  
afar their heroic efforts—  
may we be able to say, that  
the little we at home could  
do, we have done;

—that in so far as we could  
support them, lighten their  
burdens, bring them com-  
forts, we have done it;

—that we have striven un-  
ceasingly to shorten their  
stay in the Hun-made Hell;

—that freely, fervently,  
unitedly, we have laid our  
humble offerings alongside  
their noble sacrifices on the  
altar of Victory—and Peace.

Another opportunity to lend your individual  
weight to the blow that will shorten the war  
comes with the offering of Victory Bonds  
about to be made. Let not the privilege to  
do your share find you unprepared.

Issued by Canada's Victory Loan Committee  
in co-operation with the Minister of Finance  
of the Dominion of Canada.
